Dear Pastor, West

Praying about my year-end letter, this is what the Lord put on my mind. A little insert my Aunt Terry put in my autograph book when I was eight years old. "Make new friends, but keep the old. The new are silver. The old, pure Gold."

That's what my heart feels about Memorial Baptist Church

For 2025 this is how the Lord Jesus Christ answered the prayers of the good people of Memorial Baptist Church

The figures I will quote are approximate and are probably on the low end. Fairs worked by all AGM workers: 200. Myself, 10 plus flea markets, plus preaching, Amazing Grace Mission people who worked fairs: 80. Help from local churches: not even able to give an estimate as many church people showed up at our booth, unannounced. Professions of Faith recorded: 10,000. Not counting thousands who were evaluated as assurances. Was it New Salvation, or assurances? Only God knows. Either way, they heard the Gospel. 70000 Smile face tracks, not counting other types of tracks.

I thank the Lord for letting me be part of such a great commission and thank "you all" (I am trying to sound southern) for helping me to have a little part of the great commission.

Every fair I do, and some of every day witnessing, God gives me a special moment. So, I want to share this one with you. In 2025, the one that stands out the most is a couple around 25 at the Tampa Fair. They were weirdly dressed in black revealing clothes with black symbols on their faces. One of the questions I always ask is, "do you know you have sinned?" Many people who look normal by church standards will laugh and say yes. This couple, with meek voices and bowed heads, said yes.

Your Asphalt Jungle Servant,

Bro. Dick
