Dear Pastor, West

As mentioned in our last letter we were heading to Lewisburg, WV for the WV State Fair. The Lord not only blessed the outcome but overrode a big obstacle. The space assigned to the AGM Booth was next to a very loud ride. It was difficult to hear and be heard. The local pastor's wife had the solution. Time, you're witnessing. Read a verse, say a sentence, wait a few seconds while noise subsided, next verse or sentence. That didn't stop the Lord. PS; Local pastor has remedied the location for a quieter booth for next year.

Please add 413 Profession of Faith to the account of Memorial Baptist Church.

We thank the people of Lewisburg Baptist Church and Greystone Baptist Church that help make this all possible

A second blessing is when I went into a local restaurant and the owner seen my Navy Veteran hat and said your meal is on the house, and I want to hear about what you did in the Navy. She brought my food personally and sat at my table. As Paul Harvey would say, "And the rest of the Story" she asks Jesus to save her.

Lord willing, by the time you get this letter I should be on the way to Longview, TX to do the Gregg County Fair. Please pray for souls to be saved, safety on the road, and health.

Thank You so much Memorial Baptist Church for being my anchor Heb 6:19

Your Asphalt Jungle Servant
