Dear Pastor West
Spiritual Battles

The State Fair of West Virginia had a Huge Setback. When the Church, that I partner with went to set up the booth, which they have done for 18 years) they were told by the Fair Board that we were Not allowed to set up. apparently, the New Fair Manager is at odds with Christianity. The Church in WV, my home church, AGM missionaries, and of course myself are Praying this will be resolved and that what the devil meant for evil, GOD will turn around for HIS Good! Please Pray for this situation in particular and for GOD's protection at all of our events. Which brings me to the next prayer request. By the time you get this letter, Lord willing, we should just about be starting the Gregg County Fair in Longview, TX. Please pray for souls to be saved, safety on the highway, and OH! Tolls. My ignorance of NJ toll system in July cost me \$300.00 in tolls.

Thank You so much Memorial Baptist Church for praying for this Asphalt, Jungle servant.

Your Asphalt Jungle Servant
Bro. Dick,
