Dear Pastor West,

My dear praying partners, Jan and Feb brought a little sickness my way. A fall is hindering my walking. An x-ray showed nothing broken, praise God. However, had to use a walker and get physical therapy. Lots of other everyday ailments that beset us all like cold, etc. Satan can definitely slow us down. (**1Th 2:18**). Unfortunately I had to miss the Great American Coon Hunt in Orangeburg, SC and the Florida State Fair in Tampa. I had only missed Tampa once before this in 37 years.

Also had my hot water tank heating element quit, needed an electrical breaker for my lights, the furnace fan needed replaced, my electric dryer died, the lift for my scooter on my truck broke, and one of my hearing aids died all within one month. Praise God for the good people of my home church that assisted my needs.

Praise God for **Rom 8:28** And we know that all things work together for good to them that love God, to them who are the called according to *his* purpose.

With the help of God, and the prayers of Memorial Baptist Church it looks like I will be able to head west in a few weeks for the South East Texas State Fair.

As always, prayers requested for souls to be saved and traveling mercies.

Your Asphalt Jungle Servant,

Bro. Dick,
