Dear Pastor West

Special prayer needs as June comes to an end. On June 5th, I had to be taken to hospital by ambulance with life threatening low sugar, and server pain in arms and legs. All seems to be fine now, as my doctors have made medicine changes. I still have another week or so of testing as follow up. The good news is that Jesus was with me in the ambulance, MRI.

Also was able to work the booth at Farmers market that my home church sets up. Not only are we seeing people saved but also had a couple start coming to our church.

Pastor, if your church desires of starting such an outreach, it would be a blessing to be able to help you in that endeavor. Don't hesitate to contact me.

Lord Willing we will be heading soon to do the WV State Fair. As always, your prayers are request for souls to be saved, safety on the highways.

Thank you Memorial Baptist Church for your Prayers and support!
