Dear Pastor, West

On Dec. 29, 1992 I was Accepted by the board of AGM, I asked God for 20 years. Oh! Forget full me. I lost track of time. This November two things happened that had not happened in all those years. One was I had never done two fairs back-to-back. I always had at least two weeks in-between fairs, which gave me time for travel, preaching, repairs etc.. This year on Fri I left National Peanut Festival, Dothan, AL. My colleagues finished up. I then started the North Florida State, Tallahassee, FL. Fair that my colleague had already started. I mention this because (Mat. 9:37) is so true. I mention this because {I, WE, YOU, USA, the world} are in need of (Luke 10:2)

The second thing that never happened was a 20ish young man came right up to me and before I could say one word, he said I want to get saved. Thanks be to the Lord Jesus. Thanks to all my wonderful colleagues. Thanks to all those that prayed for us at Memorial Baptist Church Please add to the account of Memorial Baptist Church, 77 perilous souls at Peanut Festival, and 300 at North Fl fair.

Also request your prayers for healing of back and hip from fall.

Thank You so much Memorial Baptist Church for praying for this Asphalt, Jungle servant.

Your Asphalt Jungle Servant
Bro. Dick,
