Dear Pastor, West

September has come and gone, and Christ has not come a second time, but praise God **1Th 5:2** is still in the BIBLE.

As for September, Please add 236 Profession of Faith to the account of Memorial Baptist Church, from Gregg County Fair, Longview, TX.

As to traveling mercies, things were a little hectic this trip. In Longview one morning my truck would not start at local restaurant. A local offered to help. The funny part we laughed when we found ourselves trying to witness each other. He did get the truck started. In Austin, TX had a great meeting at Faith Baptist Church, however GPS could not find my hotel. GPS had it listed under a different city, even tho it was in Austin. In Waco, TX had a good meeting at New Home Baptist Church, but while GPS found hotel, Waco decided to block the exit with construction. I had to call hotel, and they stayed on the phone with me, telling me turn by turn, street by street. Had a great mission conference at Grace Baptist Church in Decatur, TX, However, first stop for fuel on the way home truck would not start again. Had to call Triple AAA. I was able to witness to driver, but he did not get saved. Then 22 miles from my home a large accident on I-75, cause a big traffic jam. It took 2 hours to go 8 miles, with my low gas light on for last mile. At the writing of this letter I am thanking God and Memorial Baptist Church for getting me home safe, for souls saved, the opportunity to preach, teach, and witness. Looking forward to my next fair

Thank You so much Memorial Baptist Church for praying for this Asphalt, Jungle servant.

Your Asphalt Jungle Servant
