REQUESTS

ARRIVED IN SOUTHERN AFRICA

After seeking guidance through prayer and wise counsel, we **chose Mozambique as our current base until we can transition to South Africa. Our mission field remains unchanged;** however, Mozambique offers a place for us to spread the Gospel actively. While we eagerly anticipate returning to South Africa, we trust the timing is in the hands of the Lord. We embrace being molded by the Father and appreciate your prayers for our swift return to South Africa and for God's use of our time in Mozambique.

RECENT OPPORTUNITIES

God has graciously provided chances for us to share the Gospel. **Recently, I studied the Bible with a childhood friend stateside, leading him to profess his faith in Christ. Glory to God!**

Despite the language difference (Portuguese spoken) here in Mozambique, my limited Spanish has proven useful. We're excited about the **ongoing opportunities to share God's message in this new country.**
