MISIONEROS A MÉXICO

AÑADIENDO FAMILIAS ENTERAS

**A CRISTO
Y SU IGLESIA**

July 30, 2025

Dear Gospel partners,

I aim to keep this update on the front page (easier for the churches that post updates on a wall in their building to see the whole newsletter).

Baptisms

Several new converts have made their profession public by baptism. From left to right are Gerardo, Stefany, Saira, and Amparo, all who just a few months ago had no

shame in being addicts, and now have no shame in Christ their Savior. Glory to God!

Youth Conference

From July 21-24th, about 20 of our teenagers attended a national Youth conference in Mexico City. This was very encouraging, since last year at this same conference, only four of our young people attended. God worked in their hearts and several gave themselves to serve the Lord!

New Church Plant

An hour from where we live, there is a town called Tlapanalá, Puebla, where family members of some of our people live. They invited us to do a Gospel outreach in their town, which was realized this past weekend. God worked and several people attended. We plan on discipling them and seeing a new church planted there.

Thank you for giving and praying for these ministries!

For the Gospel in Mexico,

Kim Taylor
