Bless the Lord, O my soul, and forget not all his benefits:"*

MINISTRY: We are thankful to you for your faithful prayers and support for this ministry and us as your servants in Christ for over 40 years. This year we were able to personally minister in about 20 churches. There were quite a few churches who have opted for us to conduct an informal internal review of their financial records via technology from our office in Arlington Securities located here in Greenville, SC. We are currently under the physicians' orders to scale back in all of our previous ministries and activities. We are becoming involved in a local church here in the Greenville, SC area as the Lord directs us.

We will continue to handle your investment needs at Arlington Securities. However, if you have any questions or concerns please contact our office at any time. Arlington Securities (864) 297-7193 located at 3453 Pelham Road Suite 104 Greenville, SC 29615. If you need any taxes to be completed or questions, please call MinistryCPA (920) 261-7012.

FAMILY: During August and September, we were able to fly to Malta and visit with our daughter Anna, her husband Luke Tanis and their three children. We enjoyed attending Bible Baptist Church of Malta where Luke is an assistant pastor. Our son Jonathan, his wife Anna, and their five children live near us in Greenville, SC. It is such a blessing to spend time with our grandchildren and watch them grow in the Lord.

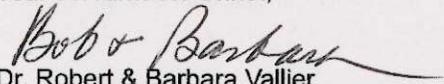

HEALTH: After consulting with numerous specialized physicians, completing some procedures, and adding new medications, Bob has been diagnosed with several facial cancer areas and onset of Alzheimer's disease. Barbara and Bob are working together to continue with the ministry in light of these new challenges as the Lord directs and guides us daily.
