Dear Brothers and Sisters in Christ,

We thank each and every one of you for fighting the good fight of faith and staying strong for the cause of Christ. He is the solution to mankind's sinful predicament and the only One who can satisfy the deepest longing of our heart. Several individuals have been saved in the past three months and we rejoice with them for the transformation that the Lord is doing in their lives. Alan is a young man who was invited to church by one of our teens and after coming to church for a month, asked if he could talk to me about his salvation. He prayed and asked Christ to save him and give him the peace that he so desperately needed. Mr. René was invited by one of our faithful members and he told me that he needed help with his marriage and addictions. Praise the Lord he put his faith in Christ and has been coming faithfully to both church and counseling sessions. He also just reached a two month mark without touching drugs or alcohol. Please pray for the salvation of his family.

**Appendicitis:** In the month of December, I began to feel sick after church one Sunday, and had to cancel both guitar classes and discipleship. I took some ibuprofen and travelled home. Around 3 AM, I finally went into the ER because of the pain and constant vomiting. Thankfully, they operated on me before my appendix burst and I was able to recover in a couple of weeks.

**Christmas Boxes:** The Lord allowed us to receive Christmas boxes and wrapped gifts from Iglesia Bautista Betania for the children in our church and for the village of San Bartolo. One of our church members also donated blankets to give out to each child. Receiving a Christmas gift and a blanket brought so much joy to their hearts! They went home that day knowing that God's people love them and care about them.

**Church Anniversary:** On January 18th, we celebrated our 3rd Year Anniversary as a church. This was a moment of rejoicing and thanksgiving as we looked back on how God had helped us through both the good and hard times. We serve a faithful and loving God!

**Cartel Activity:** Although the State of Jalisco, along with several other states in the country, experienced the terrible, vengeful attacks of the Nueva Generación Cartel, our town and area was not affected. Thankfully, it has been quiet for the past few of months with little cartel activity. We hope and pray that it stays this way. We would like to thank each and every one of you who reached out to us via email, Facebook, or phone call to ask about our safety. By God's mercy, we are doing well.
