Dear Pastor West & Memorial Baptist,

Psalms 72:18-19 "Blessed be the LORD God, the God of Israel, who only doeth wondrous things. (19) And blessed be his glorious name for ever: and let the whole earth be filled with his glory; Amen, and Amen."

All we do should bring blessing, honor, and glory to our Lord God. David ends his prayer in praise to God. Our lives should end every day with us honoring and glorifying God. It matters not where we are, our situation in life, the tests or trials we endure, or how someone else is doing in comparison to ourselves. At the end of the day, we each must give glory and blessing to our God and Saviour, for He only does wondrous things. Amen and Amen!!

The month of June had us taking our third language test since being in Poland. As we mentioned in a brief e-mail, we both passed. We both had the same score! It was a great answer to prayer, but we passed by the skin of our teeth. We realize that we need to gain a greater understanding of the Polish vocabulary. The grammar part cannot be put into practice if you don't have a knowledge of Polish words. We know words, but not nearly enough to be conversant. It also takes us longer to form our sentences as we try to remember the correct word and its proper declension. Most people do not have time for conversation if you cannot quickly respond. They are happy that we are trying to speak their language, but do not have patience.

We were able to help Berean Baptist Church with a VBS that they hosted on four Saturdays in July and one in August. We had a wonderful time interacting with the kids as well as the adult helpers. Pastor Petersen, his family, and faithful church members did an outstanding job getting the gospel across to the children. They learned that Jesus was the Bread of Life, the Good Shepherd, the Light of the World, and other "I Am's" of Jesus. We have always enjoyed working with children in various ministries.

Be in prayer as we will be traveling back to the states on September 22nd. Our youngest son is getting married, and we are very excited for them both. We will remain in the States until October 26th. We will also get to personally see our second grandchild Mark. We have seen him on videos but soon face to face. It recalls the fact that we will one day see our Saviour, Jesus Christ, face to face. As much as we are looking forward to seeing our grandson, we are looking forward to seeing our Lord so much more.

Continue to pray for God's will concerning church plants and possible cities. When we return, we want to follow God's will and launch out into the deep. There are a few options that make a lot of sense and would seem to be exactly what one would want to do in beginning a church plant. God's will is the only one we want to follow and obey. Please pray that we would have a clear understanding of God's will and follow His leading. As the verse above states, *...the God of Israel, who only doeth wondrous things*. If we can do exactly as God desires, we will see wonderful things accomplished for His honor and glory.

Sincerely,

Gary & Lisa Zdziarski
