Paperwork Update

We planned and prepared to move to Mozambique on January 16th, but unfortunately, we were unable to acquire the necessary paperwork and could not leave. For the last several weeks we have been waiting for our paperwork to arrive. We are learning more and more that there are many factors out of our control, but none of them are out of the Lord's control. Lord willing, we will have our paperwork in the next few weeks and be able to move to Mozambique. Until then, we will continue to trust the Lord and His timing. Please continue to pray with us over this matter. We are fully supported and simply waiting on the paperwork so we can get to Mozambique.

Language Classes

This month we began spending more time learning Portuguese. We have a teacher from Mozambique that I meet with every morning online. We understand learning a language will take a great amount of time and effort but beginning now should help us get a better start for when we arrive in Mozambique.

Time of Refreshing

Over the last several weeks we have enjoyed the opportunity to spend more time at our home church. We are grateful for the opportunity to serve in this current season at our home church. I have had the chance to preach several times.

Praises:

- Praise the Lord for our faithful supporters.
- Praise the Lord for the refreshing time at our home church and the many opportunities to serve.
- Praise the Lord for our Portuguese language classes.

Prayer Requests:

- Pray that the Lord will provide the paperwork we need in His timing.
- Pray that the Lord will help us as we prepare to transition to Mozambique.
- Pray that the Lord will open doors and opportunities for us in Mozambique.
- Pray that the Lord will save souls and raise more labourers for Mozambique.
