*Pope Francis from his Homily for the Feast of
the Baptism of the Lord-January12, 2014*

"I would like to tell you only this:
you are those who transmit the
faith, the transmitters; you have a
duty to hand on the faith to these
children. It is the most beautiful
inheritance you will leave to
them: the faith! Only this.

Today, take this thought home
with you. We must be
transmitters of the faith. Think
about this, always think about
how to hand on the faith to your
children."
