

July 2026

SCHOOL'S OUT FOR SUMMER

School is out and summer is upon us. With the more relaxed schedule of the summer, you and your kiddos may be enjoying a variety of day outings, or your children may require a more structured routine including day or overnight camps.

If your children will be attending overnight camp this summer, get a checklist of items required directly from the camp so that your little camper will be prepared. Please remember to check your child's hair for head lice a week prior to their camp date and again a couple days prior to. Should those nasty critters be present, this will give you some time to deal with the lice rather than your child being turned away from camp which will be upsetting for everyone.

Whatever you are planning this month, enjoy the warm temperatures and the more flexible schedule as we all know, the summer goes by way too quickly!

CHRONICLES

class of 2026

Congratulations to our Graduates!

Grade 12

Ali S.

Grade 8

Kora M.

Jaxon G.

Safi A.

DATES TO REMEMBER:

Plan of Care Training:

Tuesday July 7, 2026,
from 6:00-8:00 pm for new Foster
Parents or anyone requiring some
