

School is out and summer is upon us. With the more relaxed schedule of the summer, you can enjoy a variety of day outings, or your children may require a more structured routine including day or overnight camps.

You will know what works best for your family.

If your children will be attending overnight camp this summer, get a checklist of items required directly from the camp so that your little camper will be prepared. Please remember to check your child's hair for head lice a week prior to their camp date and again a couple days prior to. Should those nasty critters be present, this will give you some time to deal with the lice rather than your child being turned away from camp.

**hello
Summer**

Summer Fun

During the time period when the children are not at camp, google "FREE EVENTS" or "FREE ACTIVITIES" in your city. You can also google "COUPONS" for your city and hopefully something will pop up that may be of interest to you and your family. Whatever you do to keep busy this summer, have fun and keep safe!

CHRONICLES

ON - CALL

In the event that the pager is not working properly, please refer to the schedule below for the on-call list and dial the on-call worker directly. Thank you!

Jun 30 – Jul 6	Leon Lamont	289-834-8107
July 7 – 13	Lutoya Jones	416-919-1581
July 14 -20	Maeghan Turner	226-388-4678
July 21- 27	Janai Thompson	437-453-2584
July 28 – Aug 4	Darlene Woodley	437-448-8383

Kim's Korner...

Please upload June 2025 report cards to Case Manage in the File Management section. Thank you!
