Additional neighborhood parking has been secured for the June 27 worship service celebrating the life of Carolyn P. DuBose. In addition to the parking locations provided earlier and reiterated below, free parking is now available:

- On S. Wayne Street from 9th Street to 8th Street, parking reserved for funeral attendees on both sides of S. Wayne;
- On S. Wayne Street, across from the church, from Columbia Pike to the alley that leads to Siena Park underground parking, parking reserved on the East side of Wayne St.
- On 9th Street from S. Wayne Street to Adams Street, parking available on the north side of 9th Street.
- On 9th Street from S. Adams Street to S. Barton Street, parking available on both sides of the street.
- On S. Veitch from Columbia Pike to apartment driveway before 9th Street, parking reserved on both sides.
- On S. Veitch, from 9th Street S. to 8th Street, parking reserved for funeral attendees on east side of S. Veitch St.

These locations add 104 spaces. Funeral attendees may park from 8:00 am to 12:00 pm. These spaces have already been paid for so there is no need to add money to a meter or otherwise pay for parking. Arlington County will mark these areas with appropriate signage. **A map of reserved neighborhood parking locations follows:**

**PARKING FOR FUNERAL AT TRINITY EPISCOPAL CHURCH
SATURDAY, JUNE 27, 8:00 AM TO 12:00 PM**

PLEASE NOTE - PARKING ON THE SAME SIDE OF THE STREET AS THE CHURCH DIRECTLY IN FRONT OF THE CHURCH IS RESERVED FOR THE FUNERAL CAR/HEARSE AND FAMILY LIMOUSINES.

OTHER PARKING: As previously reported, other parking is available

- In the Siena Park Apartment garage (across Wayne Street and down the alley to enter) for \$1.90/hour through Parkopedia. All who park there must park on Level B, sign into Parkopedia, and pay since this garage does not issue an entrance ticket.
- In Penrose Square Garage (Giant parking) located two blocks from Trinity. Free for the first hour. Two hours cost \$5.00 with incremental increases per hour thereafter. Reserving a space on line results in lower increases after 2 hours.
- On-street in areas that are not zoned.
