Safeguarding Declaration

Open Age Football

As An Open Age Club We Will:

Name a Club Welfare Officer.

Adopt and adhere to the FA's Safeguarding Children Policy and Procedures (where we have U18's) and Safeguarding Adults Policy and Procedures and proactively share our Club Safeguarding Policies with our members (Players, Club Officials, Parents/Carers of Under 18's).

Ensure all Managers, Coaches and Assistant Coaches are named on the FA systems for every team.

Maintain in date accepted FA DBS checks for all those working directly with Under 18's.

Ensure Team and Club Officials complete Player Welfare training.

Refer Safeguarding concerns in line with the FA's Safeguarding Policy and Procedures.

If we run Open Age Disability teams, we will also:

Name a Club Welfare Officer who has completed the FA's Safeguarding

Adults Course, in addition to complying with the Safeguarding Declaration as set out in the above points.

Encourage Team and Club Officials to complete the FA's Safeguarding Adults Course.
