About Iran Alive Ministries

Mission:

Iran Alive Ministries exists to transform Iran into a Christian nation, one soul at a time.

Founded in 2000 by Dr. Hormoz Shariat, **Iran Alive Ministries** has played a significant role in advancing the gospel and strengthening the Church in Iran. Iran is home to one of the fastest-growing evangelical Christian movements in the world, which requires a multifaceted approach to reach, disciple and support Iranians both inside the country and around the world. Iran Alive's outreach includes satellite television reaching millions of viewers each day, social media and digital ministry, global weekly church services, underground houses and online churches, the 4:12 Discipleship School, a global prayer team, Farsi-speaking counselors, a 24/7 call center and a ministry that equips believers to use their artistic gifts and talents to share the Gospel.

"**Shabakeh7**," the ministry's satellite television station, records out of North Texas and reaches regions in the Middle East and Central Asia, which continuously shares the Gospel message with the Iranian people. These broadcasts also include live church services and discipleship trainings that can be utilized by underground churches.

Iran Alive Ministries' impact:

- The creation of **the fastest-growing evangelical community in the world**, with the population doubling every four years.
- **7 million** Farsi-speaking Iranians reached daily through the broadcast.
- Over **100,000 Bibles distributed** since 2001.
- More than **100,000 documented conversions**.
- **4,100+ students** enrolled in Iran Alive's online university.
