

7 June 2026 - Day of Prayer & Fasting:

Theme: Seeking Father God in repentance and confession

This day of Prayer & Fasting gives us an opportunity to explore the theme '**Seeking Father God in repentance and confession**'.

We recognize how crucial these concepts of repentance and confession are for us as believers. They remind us that we have a safe space in which we can be honest about our shortcomings and seek forgiveness and healing. We are assured by scripture that in confessing our sins, we experience profound transformation and renewal. It's a comforting thought that God is always waiting for us to turn back to Him. In every moment of vulnerability, we are met with God's unwavering grace.

Through the act of confession and the process of repentance, relationships can be restored, burdens can be lifted, and spiritual growth can blossom. Our journey doesn't end in shame but opens up endless possibilities for grace and joy. As we continue to embrace this divine practice, may we also extend the same love and forgiveness to others.

The below verses reflect this '**Seeking Father God in confession and repentance**' theme and so please read and meditate on each passage to see what God may reveal.
