

7 January 2026 - Day of Prayer & Fasting:

Theme: Seeking to walk with God - Father, Son & Holy Spirit

Lifestreams Christian Church is beginning 2026 with the sermon series of ***‘Walking with God’***, and this day of Prayer & Fasting gives us an opportunity to explore that theme.

- What will help you in your desire to walk with God in 2026?
- Is there some way or aspect you want to grow in your relationship with God?
- What does it mean for you to walk with God as God the Father?
- How is this different or similar to seeking to walk with Jesus - God the Son?
- How can you develop your relationship with the Holy Spirit this year as you walk with God the Holy Spirit?
- What revelations do you receive as you meditate on the below verses?
(Journal about them)

Through bible verses about walking with God, we are reminded that God desires to walk closely with His people - guiding, strengthening, correcting, and comforting them. When we choose to walk with Him, we align ourselves with His purposes and experience the fullness of His presence in our lives.

The below verses reflect this ***‘Walking with God’*** theme and so please read and meditate on each passage to see what God may reveal. Try reading each aloud and putting the verse into a prayer, applying it as appropriate to your situation, your family, our church family and its ministries.
