

A NATIONAL PRAYER MOVEMENT
TO RECLAIM AMERICA'S SPIRITUAL HERITAGE

A MOVEMENT GROUNDED IN FAITH

In July 1776, America declared its independence and became a nation. Our governing document, the US Constitution, was written in 1787. In the history of nations, there has been nothing to compare with the wisdom, foresight, and spiritual guidance of the men who wrote this document. Scholars and historians have decreed and declared it to contain the finest governing principles for a nation of people ever written. Considering the fact that more than 40% of the founding documents of this nation contain direct or indirect quotes from the Scriptures, it is obvious that our nation has veered off its spiritual course. There must be a correction, and it must come from We The People and from We His People.

RESTORING AMERICA THROUGH THE POWER OF PRAYER

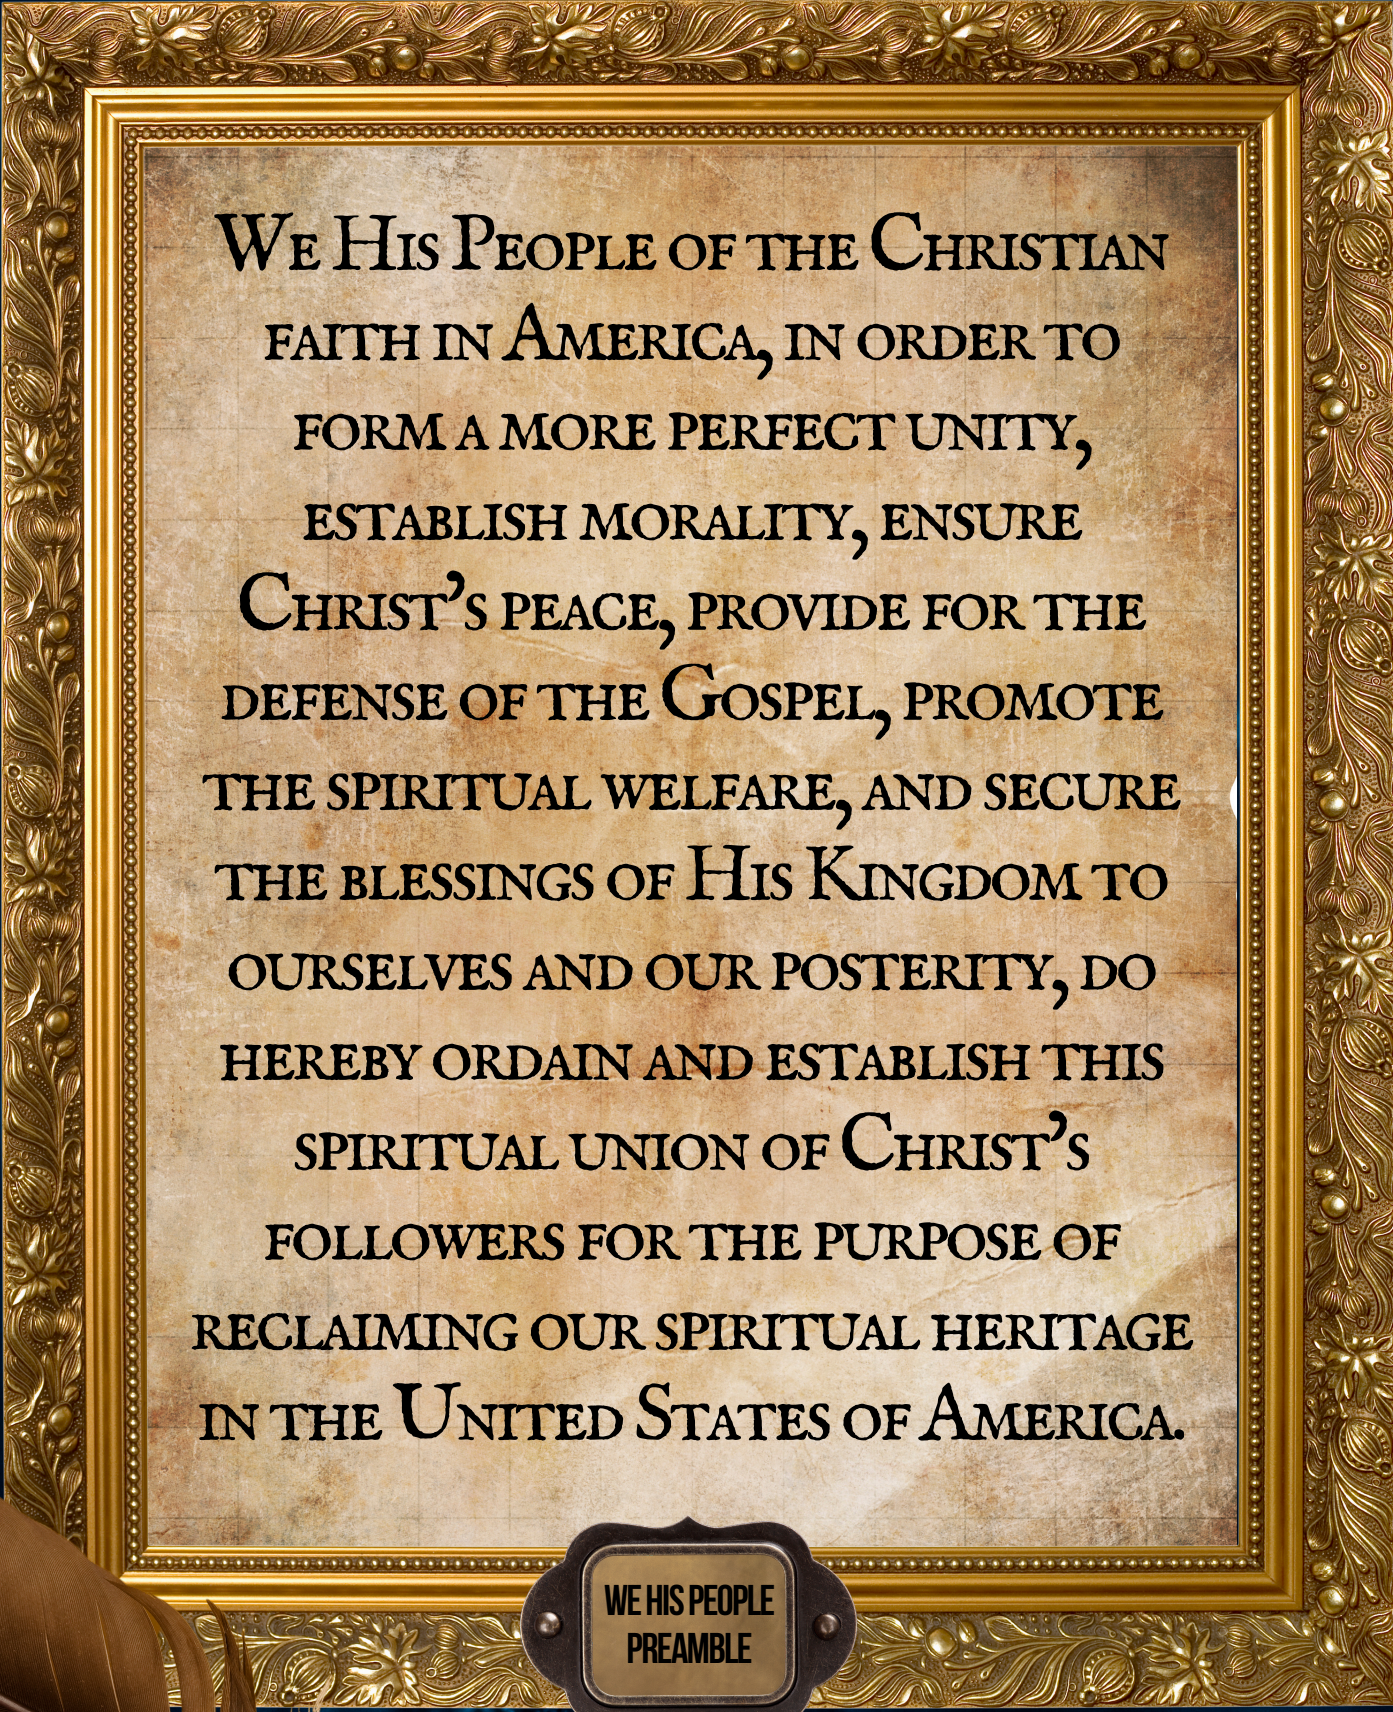

1 JOHN 5:14

"THIS IS THE CONFIDENCE
WE HAVE IN
APPROACHING GOD: THAT
IF WE ASK ANYTHING
ACCORDING TO HIS WILL,
HE HEARS US."

Today, our nation has veered off course. Inspired by the wisdom and foresight of our Founding Fathers, We His People is mobilizing believers to pray daily for revival and spiritual renewal in our land.

We stand together in faith beyond denominational differences.

THE TIME IS NOW

We His People was created out of a spirit of prayer for our nation to be restored to its original Christian foundation. With the rise of social media platforms driven by the internet, we now have the ability to share news of interest with prayer partners. At any given time, tens of thousands of people can be alerted to a prayer need. It will be challenging for the government to hide or cover up any initiatives that would negatively impact our Christian faith. The growth of such a community of intercessors is limitless due to the continuous media cycle.

Prayer is a unifying factor among all people of faith. As Christians, we must seize this opportunity and stop allowing denominational barriers to divide us. We can seek God's favor as we align ourselves with Biblical principles. We His People provides us with the necessary strength to boldly and confidently exercise our faith. This movement will unite individuals—from midwestern farmers to Texas ranchers, and people from the east coast to the west coast, and everywhere in between—allowing us to pray together from a position of victory for our nation to remain a Christian nation. During these next four years, we will have an unprecedented opportunity for the message of the Kingdom to be proclaimed throughout our country.
