Term 2 - Week 2

Kia ora e te whānau

What a fabulous week of weather we have had this week! It has been great to see such amazing collaborative games taking place in the playground during break times.

### School Hours - 9.00am - 2.45pm

Please remember that school starts at **9.00am**. If tamariki are regularly marked **late** this can affect their attendance inline with the new government regulations.

**Arriving at school** - we have noticed that some tamariki are arriving at school just after 8am. Sometimes the school may not even be unlocked then or it may be that our kaiako are in meetings. School opens for tamariki to arrive from **8.30am**.

**School pickup** - we finish school at 2.45pm. We have noticed that there are sometimes tamariki still waiting to be picked up at 3.00pm. Please ensure your child/ren are picked up before 3pm as we can not guarantee that we will have someone to supervise them after this time.

### School Production

This year we will be having another school production. We are really lucky to have an amazing talent in Eddie who has written this production for us. The show is going to be fantastic and you may hear some chat about it at home as we will have auditions for key roles this term.

### Learning Term 2

Our classrooms will be focusing on creating stage props for our school production. This links well to our technology curriculum, where tamariki will need to design the prop, re-design if problems arise and complete with necessary changes.

### School Zone

You may have noticed the new school zone road signs on Torridge and Exe Street. Please make sure you drive 30km between these times. We do have crossings on both streets, however, sometimes tamariki can run out without looking.
