GENERAL PRICE LIST

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This price list is offered to comply with the Federal Trade Commission's Trade Regulation Rule; Funeral Industry Practices 16 CFR Part 453. Our fees are established in consultation with a professional advisory firm, exclusively serving funeral homes.

Thank you for choosing us during this difficult time.

At Fitzgerald Funeral Home & Crematory, we strive to provide arrangements that honor your loved one while keeping within a budget in which you are comfortable.

We strive to make this process as simple as possible. And part of that includes providing payment to clergy, churches and other costs outside of the funeral home's control. Therefore, we ask that payments be provided in full prior to any service.

We offer a variety of ways for payment:

Assignment of Insurance on Verified Life Insurance Policy (fee applies). Application of Funds from an Advance Funeral Plan.

All merchandise subject to the Illinois State Tax Rate.

If you anticipate difficulty in meeting these obligations, please feel free to discuss your situation with us.

Exclusion of Warranty: The only warranties expressed or implied, granted in connection with the merchandise sold with this funeral service are the expressed written warranties, if any, extended by the manufacturers.
