The goods and services shown below are those we can provide to our customers. You may choose only the items you desire.

However, any arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Direct Cremation \$1,050.00 to \$1,545.00

Our charges for Direct Cremation include:

This charge is for our basic services and overhead, including but not necessarily limited to: Availability of staff 24 hours a day, staff and facilities to respond to the initial request for services within a 25-mile radius, custody of the decedent until cremation, consultation with the responsible party involved in the final disposition of the decedent, filing of the local death certificate, confirming the identification of the decedent with use of a positive identification system, obtaining local permits with the appropriate department, returning of the decedent to an authorized representative, transfer of remains to the facility, refrigeration, service vehicle, and crematory fee. Use of facilities and staff for a visitation or ceremony is not included in our fee.

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition material (with or without covering). The containers we provide are cardboard containers. We also offer other cremation containers, including containers made of wood, fiberboard, or other composite materials.
