Each parishioner has a unique and vital part to play and is needed in this mission.

What is your part this year? Put it in writing and turn in your Commitment Card today!

Stewardship Fair

A huge MAHALO to our hard working Ministry Leaders who made sure their ministries were represented at all four Masses last weekend.

We hope all of you found it beneficial as you make your commitments this weekend as part of our Annual Stewardship Renewal.

God bless all of you.

*Thank
You*

Thanks to your generosity we were able to use the money in our building and maintenance savings account to pay for a major plumbing job at the rectory. They were here working for five straight days. They found pipes that were no longer connected because they were deteriorated and some were damaged by roots. Mahalo!

March 3, 2026

A Brave Questioner

This Week's Readings at Mass

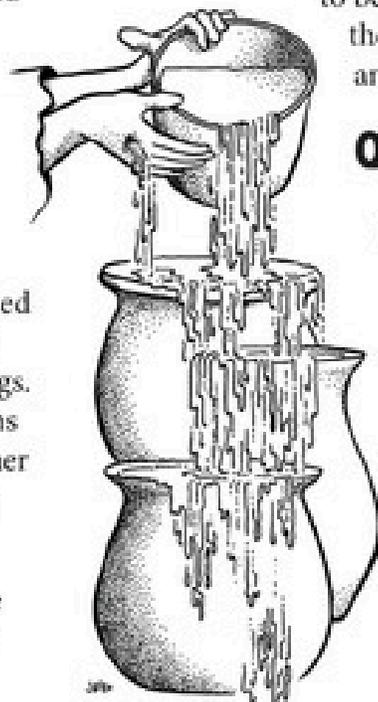

- ▶ Exodus 17:3-7 • Water from the rock
- ▶ Romans 5:1-2, 5-8 • Faith, hope, and love
- ▶ John 4:5-42 • The Samaritan woman at the well

So many biblical scenes take place in the desert and revolve around the question of where people will find the water and food they need to survive. It makes sense, given that our ancestors in faith lived in a region where finding their daily bread and water was literally a matter of life or death. The first reading today tells the famous story of God making the impossible possible, providing Moses and the Israelites with water from a rock just when they thought they might die in the wilderness.

The Gospel reading tells a story of a woman who was thirsty, but in a different way. She has access to H₂O at Jacob's well, but until she meets Jesus, she doesn't realize she is thirsting for more. She knows her religious and theological tradition well. She understands Jews and Samaritans don't share physical items in common. She knows the history of Jacob's well. She knows about the prophets in her religion. She knows her people's historical place of worship. She knows about the Messiah they are awaiting.

She seems proud of her religious heritage and isn't easily pushed over. She values it and won't let it go without good reason. On the other hand, she is open to new understandings and isn't so prideful that she remains inflexible when presented with someone new. In that way, she was unlike some others Jesus met during his ministry who refused to consider new interpretations of their scripture or religious teachings. When Jesus answered her questions to her satisfaction and addressed her doubts about who he was, she was swift to accept him as her savior.

Notice Jesus' willingness to engage her hard questions. Notice his pa-

tience in letting her gradually come to a new understanding. Notice the respect and freedom he gives her to have her own thoughts and opinions. Notice how he gets fed by his conversation with her. Notice his joy when she spreads the good news about him (just like he was asking his apostles to do!).

Rather than focusing on the woman's marital history, what changes if we focus on how Jesus relates to her, and what happens as a result? "Many more began to believe in him." All because she bravely asked the questions she had and listened well to Jesus' answers.

Questions of the Week

- 1 Who has challenged you on your religious beliefs and helped you come to a new understanding of them?
- 2 What do you think of Jesus and how he relates to the woman in this passage? Is this a Jesus you would want to meet?

ST. ANTHONY SCHOOL

1618 Lower Main Street • Wailuku, Maui Hawaii 96793

St. Anthony School is a Catholic, Marianist sponsored PreSchool-12th grade school where all are welcomed in the spirit of aloha. We are committed to serving mind, body, and spirit in a CHRIST-CENTERED, challenging academic environment that inspires each student to be their individual best for the world.

St. Anthony School Community Announcement

To our St. Anthony School community and friends,

St. Anthony School is entering a bold new chapter, one designed to strengthen our foundation and build a thriving future for generations to come.

Every decision we are making is guided by one question: What will best serve the children of Maui today and tomorrow?

As part of this strategic renewal, we are pausing our high school program while we intentionally rebuild our Preschool - 8th grade pathway from the ground up. We are launching new kindergarten classes and implementing a student-centered Multi-Age Program that will grow upward year by year. Our plan is to retain these students as they advance and, in time, reestablish a strong and sustainable high school built upon this renewed foundation.

This is a purposeful reset. It allows us to strengthen enrollment, refine our academic model, and ensure long-term vitality for St. Anthony School.

Our strategic plan is guided by a clear and compelling vision: **Developing People the World Needs.** Through our multi-age, student-centered approach, we are committed to forming confident learners, capable leaders, and young people who are prepared for real-world challenges. Rooted in our Catholic faith, which serves as the foundation of all that we do, we are focused on cultivating critical thinkers, innovators, and servant leaders who will contribute meaningfully to our island home.

We are also pleased to share that St. Anthony School is now a partner school of ACE Scholarships. This partnership expands access to tuition assistance and strengthens affordability for local families. It opens doors to a St. Anthony education for more students across Maui.

This season is not defined by what is ending but by what is being built for the future. It is an opportunity to reimagine, renew, and grow stronger than before. We believe that seasons of pruning often lead to seasons of greater growth.

Our history is rich with alumni, kupuna, families, and faith-filled leaders who have shaped generations. As we move forward, we look to reconnect with alumni, welcoming greater community use of our campus, and inviting the wisdom and mana'o of our kupuna into this next chapter.

As Christians, we believe deeply in renewal, hope, and second chances. We move forward with faith, courage, and in the spirit of lokahi and ohana. We invite you to pray with us, partner with us, and walk alongside us as we strengthen St. Anthony School for the generations to come. The next chapter of St. Anthony School begins now. It begins with hope, and it begins with you. The best days of our school are still ahead!

Peace and Blessings,

Mary Jean Bega
