July 2026

CCC is stilling Hiring!
We are looking for
part time employees
to work with our After
school
program.

Tips and Reminders

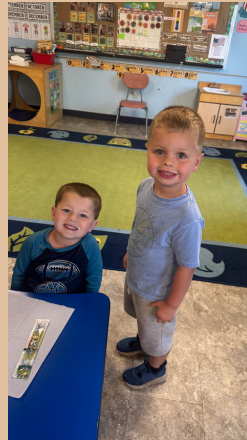

ACH and credit card payments online have been running smoothly and have helped streamline tuition payments while reducing bank trips.

Two ways you can help:

1. Please update us when your card expires—most of the time we only need the new expiration date when you receive your updated card.
2. If you authorize payments at home, please complete them by Friday afternoon. Weekend payments may not process by Monday morning and could result in late fees as weekly processing occurs at that time.

Upcoming Events

- Men's Brotherhood Steak Sandwich Sale: July 11th and August 8th
- St. John's Picnic: August 16th
- **CCC CLOSED: July 3rd, August 24th**

DON'T FORGET

- ☀️ With the warm days of summer here, please make sure your child has sunscreen on file for outdoor play. This helps us keep everyone safe and comfortable while enjoying time outside.
- ☀️ Summer brings many exciting activities and special events to our classrooms! Please be sure to check classroom emails and weekly calendars regularly for important updates regarding water play days, special events, and donation wish list items.
- ☀️ As some of our college staff members prepare to return to school, CCC is actively seeking teachers with 2- or 4-year degrees in education to join our team. If you know someone with experience in education—or a retired educator looking for a rewarding opportunity—we would love to hear from them. We are happy to assist interested candidates with the application process.
