Project Overview

Precinct Urban Planning was engaged by McGregor Gourlay to provide town planning services associated with the development of a Chemical Storage Shed in Moree, NSW. Our services involved lodgement of a Development Application to Moree Plains Shire Council including preparation of a Statement of Environmental Effects and Detailed Planning Report.

Precinct successfully obtained a Development Consent for a Chemical Storage Shed. The Chemical Storage Shed has an internal area of 1,800m² for storage of up to 700,00 litres of agricultural chemicals.

Key Tasks

- Provision of Strategic and Statutory Planning Advice
- Development Application Preparation
- DA Process Management
- Development Facilitation

workable planning solutions
