Project Overview

Precinct Urban Planning has been proud to assist Boral with obtaining the required Development Application for the expansion to their Wellcamp Quarry. This approval allows the quarry to continue operating for another 40+ years, providing important resources to major construction and development projects throughout the region.

Precinct continues to provide town planning services to Boral in relation to this development together with other quarries and facilities located throughout Queensland.

Key Tasks

- Provision of Strategic and Statutory Planning Advice
- Development Application Preparation
- DA Process Management
- Development Facilitation
