

SOLAR FARM MERINGANDAN

MICHAEL EHRLICH PTY LTD

Utility Installation (Solar Farm)

Renewables/Rural

Meringandan QLD

2012

Project Overview

Precinct Urban Planning was engaged by Michael Ehrlich to provide town planning assistance associated with the establishment of a utility installation at Meringandan.

The project involved the establishment of a 90kw Solar Farm and included 6 rows of photovoltaic panels over 570 square metres of land.

Key Tasks

- Provision of Strategic and Statutory Planning Advice
- Development Application Preparation
- IDAS Process Management
- Development Facilitation
