### Project Overview

Precinct Urban Planning was engaged by Darwalla Milling Co Pty Ltd to provide town planning assistance associated with the development and expansion of a poultry breeder rearing farm to enable the expansion of operations to meet with industry growth.

The project involved the construction of facilities and hatchery including hatcher rooms, setter rooms and storage areas that could increase the number of birds that can be facilitated from 1,000,000 to 2,000,000 chickens per week. The expansion also included an additional 26 car parks.
