First Edition

2026 TOURING PROGRAM

Specialising in fully inclusive, small group tours, Australia Wide and Internationally, for mature travellers.

Friends to travel with

Welcome

As we celebrate our incredible 40 year milestone of sharing unforgettable journeys, we are proud to present our 2026 Touring Program. Over the past four decades we have been honoured and privileged to welcome thousands of travellers, many of whom return year after year and often form lifelong friendships along the way. Sharing in these wonderful experiences is a joy for us all.

Our 2026 program is filled with inspiring adventures. From experiencing one of the world's most iconic live events at the Royal Edinburgh Military Tattoo, to the fascinating history of Norfolk Island Bounty Day. Soaking up the sunshine in the Whitsundays or absorbing the traditional culture of spectacular Samoa. If you're looking for some local relaxation, our Portland Coastal Summer Gem or Q-Train Springtime tours might be just what you're looking for. Wherever your fancy takes you, whether it is a long way from home or in our own beautiful back yard, rest assured that from the minute you step into your chauffeured pick-up at your front door, you can relax knowing everything is taken care of to the last detail. All you have to do is enjoy the journey, the company and the discoveries along the way.

Whether you are joining us for the very first time or returning for another adventure, we look forward to welcoming you into our travel family in 2026. Together we will share new experiences, wonderful destinations and make magical memories. And always remember, you never travel alone when you travel with O'Shannessy's Quality Tours!

O'Shannessy's Quality Tours Values

Small Group Tours

At O'Shannessy's Quality Tours, we believe travel should be personal, relaxed and rewarding. That's why almost all of our 2026 departures are small group tours, designed to create a welcoming and spacious environment. With fewer travellers on board, you'll enjoy a more relaxed atmosphere and have the chance to connect with fellow passengers and our caring tour directors.

Luxury Touring Coaches

Our passengers enjoy the comfort and safety of our luxury touring coaches and being thoroughly looked after by our caring and friendly crew in a relaxed and spacious environment. You will enjoy a more personalised style of touring, without compromise on all our tours. With our reduced and re-spaced seating, you will never feel like you are in a crowd.

Chauffeured Home Pick Ups

From private home pick-ups for Victorian travellers within our pick-up zones to fully inclusive itineraries and flexible booking options, every detail is considered to ensure a safe, seamless and memorable holiday. For passengers outside these zones or interstate, we can assist in arranging alternative travel so you can easily join any of our tours.

Your Loyalty

Many of our guests return year after year, with some travelling with us for decades. We value this loyalty deeply and continue to offer the same warm, personalised touring style that has made O'Shannessy's a trusted name in travel.

Worry Free Booking

Our flexible booking policy absolutely sets us apart. If a tour is cancelled by O'Shannessy's Quality Tours for any reason, you have the option of transferring to another tour, leaving the funds on hold for a future tour of your choosing with no time limit, or you can take a full refund, but the choice is always yours. Travel Insurance is available through our office for all tour departures. You can continue to book with confidence.

Our History

O'Shannessy's Quality Tours is celebrating 40 years in the coach touring industry in 2025. Our company, renowned for its high standards of customer service and touring excellence, began in the 1980s with founders Laurie and Margaret O'Shannessy. Back in those early days, they travelled across Australia's vast outback in their Denning coach, with Margaret preparing hearty breakfasts for their passengers and Laurie sharing his passion for the country's landscape. Their commitment to providing an unforgettable experience laid the foundation for the company's enduring success.

Fast forward to today, and O'Shannessy's Quality Tours is still a family-run business, now headed by Laurie's son Chris and his wife Bernadette. The company remains based in Rye, Victoria, and is supported by a third generation of the O'Shannessy family. Their four children, Josephine, Liam, Toby, and Casey, have all contributed to the business, either working in the office or serving as Tour Directors. This family involvement ensures that the core values of exceptional service and memorable travel experiences remain central to the company's operations.

New Additions in 2026

QR Codes

This year, we've added QR codes to each tour in our brochure as an alternative way to access our full tour itineraries. Just scan the code with your phone camera to see the full itinerary on our website. If the itinerary is still being finalised, the code will let you know, but you'll still be able to view any details already available. Of course, you'll find the itinerary request form included should you wish to receive any printed copies. All itineraries are also available anytime through our website for your convenience. Our lovely office team is only ever a phone call away, always happy to share extra information or simply enjoy a friendly chat.

Small group tours

You'll notice we've removed the small group icons this year, as the majority of our tours are small group tours! Most coach tours travel with a maximum of 30 guests, with smaller groups on our international and island tours. The only exception is a handful of medium group tours (usually our Easter and Christmas tours), which are clearly marked with the icon and travel with a maximum of just 36 guests — still a wonderfully relaxed and personal experience.

New tours

Of course, be sure to keep an eye out for our 'New Tour' icon to see our exciting new adventures in 2026!

Choosing the right tour for you

To make selecting your perfect holiday even easier, we've introduced activity level icons across all our tours. These are designed to give you a clearer idea of the pace and physical requirements of each tour, so you can choose the tour best suited to your comfort, mobility and fitness. While intended as a general guide, they provide a helpful overview of what to expect on tour.

Leisurely Tours

Perfect for those who enjoy a slower pace, our leisurely tours are domestic and mostly "stay put," with minimal physical activity required. You can expect to:

- Embark and disembark the coach unassisted
- Negotiate some steps and gentle, undulating paths
- Walk or stand for up to 45 minutes at a time during local tours
- Travel seated comfortably for up to 2 hours at a stretch

Moderate Tours

For those comfortable with a bit more movement while still enjoying a relaxed pace, our moderate tours may include air travel and a mix of touring styles. You should be prepared to:

- Do everything included in the leisurely level
- Embark and disembark watercraft and other vehicles via stairs
- Walk or stand for up to an hour at a time, including through domestic airports
- Negotiate a flight of stairs
- Travel for up to 2 hours in various vehicles for guided tours
- Manage uneven ground such as sand, pebbles or gravel
- Handle different climates, including heat and humidity
- Occasionally stay above ground floor (no guarantee of ground floor rooms)

Active Tours

Our active tours require greater mobility and stamina, making them best suited to travellers comfortable with longer days of sightseeing and more physical activity. You may be required to:

- Do everything included in the moderate level
- Walk through international airports with the support of an O'Shannessy's representative or tour director
- Manage long haul flights
- Stand or walk for up to 2 hours at a time

Australian Achiever Awards

2025 NATIONAL WINNER

For over twenty five years, the Australian Achiever Awards are an independent, unbiased award system based on assessment ratings from a business's own customers. The awards provide an indication of a well-run business where satisfied customers are a sign that a business is healthy, worthy of praise and increased custom.

We are proud to be recognised as the 2025 National Winner for Exceptional Customer Service in Hospitality Industry Services. This honour reflects our commitment to care, quality and service excellence. We sincerely thank our loyal customers for their continued trust and support.

Here's what some of our valued customers had to say:

"The highlights of the tour was the dedication of the staff to ensure we all had the best time at each adventure, each day was great. It was a stress free experience by having a driver from door to door."

"O'Shannessy's Quality Tours is fantastic. When I visit their office, the staff are consistently friendly and well informed about the tours they offer."

"We discovered them in a seniors' magazine when we first visited Uluru many years ago. Since then, we have participated in tours with them at least twice a year. As we live in Tasmania, we fly to Melbourne and then join the tours. We have not explored other tour options because we are very grateful to have found O'Shannessys. They provide consistent service and bend over backwards to assist us. The tours are conducted at a leisurely pace, which caters well to the predominantly elderly clientele."

"I have travelled with O'Shannessy's Quality Tours fifteen times and have always received excellent treatment from them. The staff go above and beyond to take care of me, and there is nothing they would not do to ensure my comfort."
