Welcome

Welcome to our 2027 Touring Program – a collection of incredible journeys, unforgettable experiences and wonderful destinations that we can't wait to share with you.

From witnessing the magical Northern Lights in Iceland or cruising along the Mekong River, to experiencing the ever-changing colours of Uluru or relaxing in the tropical beauty of the Whitsundays, there is something to inspire every traveller. Perhaps you're looking for adventure and discovery, or maybe your perfect holiday is a relaxing stay-put tour, where you unpack once, settle in and simply enjoy everything your destination has to offer. We've got something to suit every traveller.

We always love to welcome new travellers to the O'Shannessy's family, and we get just as excited to catch up with the many familiar faces who have travelled with us time and time again. Our passengers are such an important part of what makes O'Shannessy's special, and we love sharing the beauty, history, culture and wonders of Australia and the world with you.

Whether this is your first O'Shannessy's adventure or another chapter in many years of travelling with us, we look forward to making more wonderful memories together in 2027.

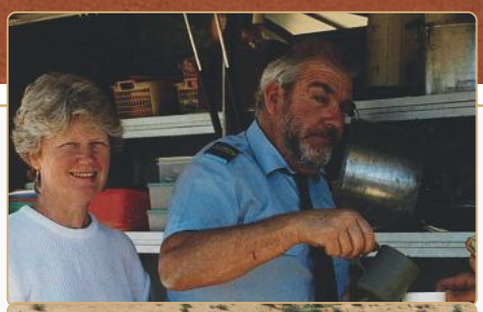

Three Generations of Touring

From the early days of towing a kitchen trailer behind their Denning coach, Margaret and Laurie O'Shannessy sharing their passion and extensive knowledge of the Australian landscape, the family travelled the length and breadth of Australia with their passengers. Their enthusiasm for travel, attention to detail and genuine care for their passengers laid the foundations for the business we know today.

Today, Laurie's son Chris O'Shannessy and his wife Bernadette continue to proudly run the business from their Rye office, opposite the Rye Yacht Club. O'Shannessy's Quality Tours offers a diverse program of fully escorted tours throughout Australia, with each itinerary carefully designed to provide memorable experiences, quality accommodation and the relaxed, personal service for which the company is known.

Margaret O'Shannessy, founder of O'Shannessy's Quality Tours, still enjoys travelling on tours, catching up with familiar faces and meeting new people along the way. Margaret is proud to see Chris and Bernadette's children continuing the family tradition, with Josephine working as a Tour Director and assisting with office duties remotely from Amsterdam, while Liam, Toby and Casey enjoy lending a hand alongside Chris with vehicles and logistics.

This 2027 touring program is another chapter in the O'Shannessy story – a story built on family, friendship, adventure and a genuine love of travel. We are proud of our heritage, excited about the future and, most importantly, delighted to continue sharing wonderful destinations with our passengers.

CHOOSING THE RIGHT TOUR

For You

To help you choose a tour that best suits your comfort, mobility and fitness, each itinerary is marked with an activity level. We ask that you read these carefully and consider the requirements, as some tours involve longer periods of walking, uneven ground, stairs and busy travel days. Choosing the appropriate activity level is important for your comfort, enjoyment and the smooth running of the tour.

Please note: Recent changes at Melbourne Airport have also increased the distances passengers may need to walk between terminals, gates and meeting points, and we are no longer able to coordinate airport shuttle or buggy assistance. Where tours involve flights, passengers need to be able to move through the airport with the group.

Leisurely

Our Leisurely Tours are perfect for those who enjoy a shorter tour at a slower pace, our leisurely tours are all domestic and mostly “stay put” tours.

It is required that travellers can:

- Embark and disembark the coach unassisted
- Negotiate some steps and gentle, undulating paths
- Walk or stand for up to 45 minutes at a time during local tours
- Travel seated comfortably for up to 2 hours at a stretch

Moderate

Perfect for those who are comfortable with a little more movement, while still enjoying a relaxed pace.

Travellers may be required to:

- Embark and disembark watercraft and other vehicles via stairs
- Walk for up to an hour at a time, including through domestic airports
- Negotiate a flight of stairs and stay above ground floor if required
- Travel for up to 2 hours in various vehicles for guided tours
- Manage uneven ground such as sand, pebbles or gravel
- Handle different climates, including heat and humidity

Active

Our active tours require greater mobility and stamina, making them best suited to travellers comfortable with longer days of sightseeing and more physical activity.

Travellers may be required to:

- Do everything included in the moderate level
- Walk through international airports with the guidance of an O’Shannessy’s tour director or representative
- Manage long haul flights
- Stand or walk for up to 2 hours at a time

Active Plus

Our new active plus tours are suitable only for fit and active folk, who enjoy and are used to a greater amount of physical activity.

Travellers may be required to:

- Do everything included in the Active level
- Walk considerable distances, sometimes over uneven terrain.
- Stand for longer periods than on our other tours
- Comfortably manage stairs and steps.

THE ROYAL FLYING DOCTOR SERVICE

There's one word we hear quite a lot on tour that we're determined to eliminate from the O'Shannessy's vocabulary – "bus"! Our passengers soon discover that there is a very official swear jar for anyone who calls the coach a bus. What started as a bit of fun has become a wonderful way for us to support a very important Australian organisation – the Royal Flying Doctor Service (RFDS). Along with the coins collected in our "swear jar", proceeds from the sale of O'Shannessy's water bottles are donated directly to the RFDS. So, by all means, keep calling it a bus – but be prepared to pay the fine! We're proud to support the Royal Flying Doctor Service and grateful to our passengers for helping us turn a little O'Shannessy's tradition into something that makes a real difference.

A Special Thanks to You

AUSTRALIAN ACHIEVER AWARDS

We are incredibly proud to share that O'Shannessy's Quality Tours has been awarded both the State and National Winner of the Australian Achiever Awards on many occasions over the years. What makes this recognition particularly special to us is that it is based on feedback from our own customers. It is our passengers who take the time to share their experiences and provide feedback about the service they have received from everyone in our team. We are genuinely grateful to everyone who has taken the time to participate on our behalf. Your support, kind words and willingness to share your experience have helped us achieve this wonderful recognition – thank you.

"The team at O'Shannessy's Quality Tours have looked after me more than I could have ever expected. Every single staff member is excellent and so helpful, regularly going above and beyond. They show real courtesy and kindness to everyone. It is exactly why I keep choosing to travel with them." - Valued Customer, 2026

"From start to finish it was smooth sailing from pick up at home to drop off, there were no hic ups and it was a hassle-free way to travel. Everyone and everything was fantastic and exceeded expectations. We felt very well looked after and are looking forward to booking another tour with you soon."
- Valued Customer, 2026

"I find the staff to be cheerful, helpful and easy to understand. If any issues arise, they are fixed immediately. I am impressed with how well the team handle the tours, looking after passengers so well without intruding too much. The tours themselves are well planned and interesting, and after five years I continue to enjoy them."
