EXPLORING BROOME

We visit the **Pearl Luggers Museum** this morning where we learn the history of pearl diving dating back 140 years, followed by a tour of this fascinating town. We'll see historic **Gantheume Point**, the **Broome Wharf** and of course **China Town**. Lunch today is at the award-winning microbrewery, **Matso's**, a true Broome treasure. We then have some time to relax back at the hotel before making our way to **Cable Beach** to watch the sun set over the Indian Ocean. For anyone wishing to ride a camel, this will be your opportunity (own expense). Enjoy the sunset and a unique photo opportunity before returning to the hotel for dinner.

DINOSAUR ADVENTURE

This morning we step aboard **Tutti Frutti**, the purpose-built shallow landing vessel and enjoy a fully guided cruise with entertaining and informative commentary surrounding everything Broome. One of the highlights of this tour is standing in the perfectly preserved, 120-Million-year-old dinosaur footprints that are **fossilised in rock** on a secluded beach. Learning about the early Cretaceous period and the dinosaurs that stamped their mark on history will leave you bewildered. This specially designed boat allows you to disembark directly onto the beach and is the perfect boat to explore this intriguing coastline. This afternoon we have time to relax back at the hotel. Dinner this evening is at the hotel.

WILLIE CREEK PEARL FARM

We're off to visit the **Willie Creek Pearl Farm**, to learn about pearling techniques and view the pearl panels suspended in the creek. We can gain a comprehensive insight into how the world's finest pearls are produced, with the process of cultured pearling, including the seeding of a live oyster shell. Lunch is included and we also enjoy a cruise aboard the **Willie Wanderer**. There'll be more time to relax back at the hotel before dinner this evening.

MORE OF BROOME

This morning we spend some time wandering the newly revitalized **Town Beach** precinct of Broome, colloquially known as Old Jetty. Town Beach used to be the site of Broome's main jetty, the original Port of Broome until the mid-1970s when a new jetty was constructed at Entrance Point. Located at the top of the walkway down onto this new fishing jetty stands the **"9 Zeros – 9 Stories"** statues honouring the 1942 Japanese air raid victims. The nine aluminium figures each represent a personal narrative from the event. Facing Roebuck Bay, the memorial captures chaos, loss and reconciliation from a pivotal moment in Broome's history. As it is Saturday we make a stop at the **Broome Courthouse Markets** held in the historic Broome Courtyard gardens, offering a lively showcase of local art, craft and gourmet food. Enjoy live entertainment, unique handmade goods and experience Broome's vibrant community atmosphere. This afternoon we visit one of Broome's historic icons the **Japanese Cemetery** to reflect on the diverse multicultural history of Broome as we wander amongst the hundreds of graves, with unique headstones crafted out of coloured beach rocks. Later this afternoon we visit the **Malcolm Douglas Crocodile Park** and Animal Refuge. The shop museum showcases an extraordinary display of Malcolm's 40 years spent producing his famous

adventure films. This evening, we have the opportunity to see the “**Staircase to the Moon**”, a natural phenomenon which occurs when a full moon rises over the exposed tidal flats of Roebuck Bay. The Staircase to the Moon happens two-three days a month between March and October and we are lucky enough to be here for it. We will have time to wander through the markets at Town Beach. Here we can sample local produce, buy hand made products, a variety of international food, and enjoy the sounds of locals. This will be a stunning conclusion to our wonderful holiday!
