DAY 3 - MURRAY BRIDGE TO PORT AUGUSTA

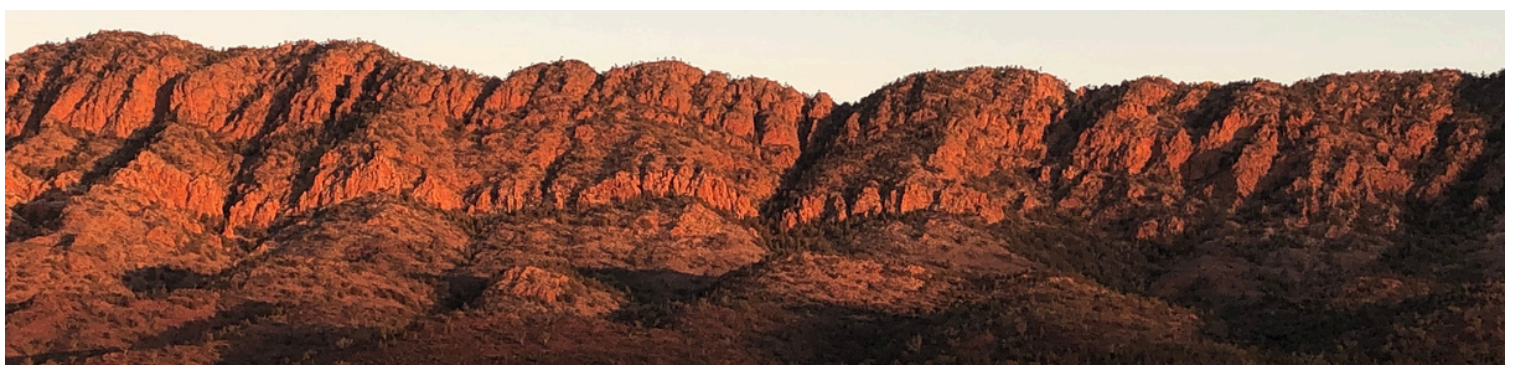

Wednesday 10th March, 2027

Following breakfast we make our way through Gawler to **Bungaree Station**. Located 12 kilometres north of Clare, it was established in 1841, becoming the headquarters to an extensive sheep station with 100,000 merino sheep by the 1880s. Today, some 160 years later, it is an efficient mixed farm run by the descendants of the original founder, G.C. Hawker. Consequently Bungaree Station is not a museum, but rather a living record of rural Australia since 1841. We enjoy a guided tour and lunch with a member of the family who will give us a wonderful insight into 19th century life. We still have a way to go today so we board the coach and drive through to **Port Augusta** for our overnight stay.

OVERNIGHT: Standpipe Golf Motor Inn, PORT AUGUSTA ★★★★★

Port Augusta is located at the top of the Spencer Gulf. Major transcontinental rail services pass through Port Augusta as do the major east/west and north/south highways. The town was once an important base for arid land explorations to the north and later a busy shipping port. This morning, we embark on an historical train journey aboard the **Pichi Richi Rail**. This section of rail line is the original Port Augusta to Alice Springs line which travels through the famous Pichi Richi Pass to the historic township of **Quorn**. The railway heritage is reflected in the names of some of the old hotels - The Grand Junction and the Trans Continental. After lunch, we continue north stopping at the **Kanyaka Homestead** just off the main road, 15 kilometres south of Hawker. Our next two night's accommodation is at Rawnsley Park Station, with Rawnsley Peak looking down on us.

OVERNIGHT: Rawnsley Park Station, FLINDERS RANGES ★★★★★

DAY 6 - RAWNSLEY PARK TO ARKAROOOLA

Saturday 13th March, 2027

Continuing our journey through the captivating Flinders Ranges, we make our way towards the Arkaroola Wilderness Sanctuary today. Our first stop is the historic and picturesque town of **Blinman**, known for its copper mining history and standing as the highest town in South Australia. Once a bustling mining community in the 1850s with over 1500 residents, Blinman now has just over 20 inhabitants, making it a fascinating place to explore. After an early lunch here, we continue our drive to **Arkaroola**, located in the **Gammon Ranges National Park**. Arkaroola is a true gem of Australian tourism, boasting a unique landscape that dates back over 2 billion years and features the most rugged chain of mountains in the Australian Outback. Upon arrival, we'll have time to settle in and perhaps take a self-guided walk to immerse ourselves in the stunning surroundings before dinner. At night, we'll have the extraordinary opportunity to visit Australia's largest privately owned Astronomical Observatory, where we can embark on tours of the Universe and marvel at the wonders of the night sky from the comfort of "star chairs," an experience typically reserved for scientists and astronomers. It's a truly unique and awe-inspiring way to end the day at this remarkable destination. *(The observatory visit is an optional activity, entry own cost/depends on local weather conditions.)*

OVERNIGHT: Arkaroola Wilderness Sanctuary, ARKAROOOLA ★★★★★

Prepare for an exhilarating day as we embark on the unforgettable **4WD 'Ridge Top Tour'** through the rugged mountains of Arkaroola Wilderness Sanctuary. Driving along mine tracks, we'll venture to remarkable locations such as 'Crystal Candy Mountain', Mt Painter, Yundnamutana Gorge and Sillers Lookout, where awe-inspiring views stretch over 80 kilometres across Lake Frome. It's a journey that promises breathtaking vistas and a truly unique experience of the Australian Outback. After our morning adventure, we'll return to Arkaroola for a leisurely lunch. The afternoon is yours to enjoy at your own pace. You can choose to take a self-guided walk and immerse yourself in the natural beauty of the area, or for those seeking a bird's-eye view, an optional scenic flight is a spectacular way to witness the ancient sedimentary seabed layers of the Arkaroola landscape. Of course, if you prefer to simply relax and soak in the tranquillity of this unique wilderness sanctuary, there's no shortage of opportunities to kick back and unwind. The choice is yours to make the most of your afternoon in this remarkable destination. *(All touring this afternoon is optional and own expense.)*

DAY 9 - PORT PIRIE TO MILDURA

Tuesday 16th March, 2027

Our journey today takes us to **Burra**, a copper mining town that saved South Australia from bankruptcy in the 1840s. Here we'll stop to see the "Monster Mine" which was the largest metal mine in the country employing 1,000 people. Cornish and Welsh miners flocked to Burra to work for the South Australia Mining Association and some set up homes in dugouts hewn out of the banks of the Burra Creek. From here we travel to the Overland Corner Hotel for lunch. Continuing this afternoon, we stop to view the **Paringa Silo Art**, painted by renowned artist Jack Fran. The Paringa Silos feature four distinct images (two on the front facing the Sturt Highway and two on the rear) linked together with soaring pelicans. We then cross the border into Victoria and travel on to Mildura.

OVERNIGHT: Best Western Chaffey International Motor Inn, MILDURA ★★★★★

DAY 10 - EXPLORING MILDURA

Wednesday 17th March, 2027

Today, we embark on a day of exploration in the vibrant town of **Mildura**, known for its rich history, beautiful river landscapes and delicious citrus produce. We'll be introduced to Mildura by a locally-based expert and we'll learn about the Canadian Chaffey Brothers, George and William Benjamin, who arrived in Mildura in 1886 and established the first irrigation scheme in Australia. We'll hear about life on the river, past and present, and discover the fascinating history of this region. For lunch, we'll enjoy a unique experience aboard the **PV Rothbury**, cruising along the river and passing through Lock 11, which was built to bypass the weir across the river. It's a chance to take in the stunning river views while enjoying a delicious meal on board. After the cruise, we'll head to **Orange World**, a working 50-acre citrus property just a short drive from Mildura. We'll take a citrus tour around the picturesque property, filled with avocado trees, various citrus varieties, and tree grafting areas. There's even an opportunity to hop on a 70-seat tractor train with undercover seating for an informative commentary on citrus production, all delivered with a juicy sense of humour. After a day of exploring and indulging in the flavours of Mildura, we'll return to our accommodation with memories of a day filled with local history, delicious food, and beautiful landscapes.
