PORT AUGUSTA TO THE FLINDERS RANGES

Port Augusta is located at the top of the Spencer Gulf. Major transcontinental rail services pass through Port Augusta as do the major east/west and north/south highways. The town was once an important base for arid land explorations to the north and later a busy shipping port. We take a brief look around, then embark on an historical train journey aboard the **Pichi Richi Rail**. This section of rail line is the original Port Augusta to Alice Springs line which travels through the famous Pichi Richi Pass to the historic township of **Quorn**. The railway heritage is reflected in the names of some of the old hotels - The Grand Junction and the Trans Continental. After lunch, we continue north stopping at the **Kanyaka Homestead**, just off the main road, 15 kilometres south of Hawker. Our next three night's accommodation is in the Flinders Ranges at **Wilpena Pound Resort**.

We will visit two gorges (subject to weather and road conditions), **Brachina Gorge** and **Bunyerroo Gorge**. This afternoon we return to Wilpena Pound Resort where we can relax.

DAY 7

Monday 12th October, 2026

MORE OF THE FLINDERS RANGES

This morning, we head to the tiny settlement of **Blinman**. Copper was discovered here by a shepherd, Robert Blinman in 1859. Blinman, who had a wooden leg and was known locally as Peg Leg, made the discovery when he broke off a chunk of rock he was sitting on whilst watching over his sheep. The mining of copper occurred from 1862 to 1918 when the ore ran out, with a total of around 10,000 tonnes of copper removed. We embark on a **tour** with **Blinman Heritage Mine Tours** after extensive excavations have made it possible to tour through the tunnels that were once worked by the Cornish miners. Next, we head to Parachilna where we lunch at the famous Prairie Hotel before returning to Wilpena Pound Resort where you'll have time to enjoy the facilities at leisure or take one of the many easy walking trails within the National Park.

FLINDERS RANGES TO CLARE

Today, we farewell the Flinders Ranges and begin our journey home. But the South Australian outback has one final experience in store for us. On the outskirts of **Peterborough**, we visit **Quentin Park Alpacas & Studio Gallery**, a working alpaca farm offering a wonderful opportunity to get up close with these gentle animals. During our guided experience, we'll have the chance to hand-feed the alpacas, hear their stories and learn more about life on the farm from our welcoming host. We then make our way into the centre of **Peterborough**, where we enjoy lunch at 229 on Main Café. After our lovely meal, we continue to **Clare**, where we settle in for the evening and reflect on another memorable day of our South Australian journey.

OVERNIGHT: Clare Valley Motel, CLARE ★ ★ ★ ★ ★

CLARE TO MILDURA

Driving to Burra, we will be joined on board this morning by a **local expert** for a fascinating tour of this charming country town, classified by the National Trust. Copper from Burra's "**Monster Mine**" saved South Australia from bankruptcy in the 1840's. It was the largest metal mine in the country employing 1,000 people. Cornish and Welsh miners flocked to Burra to work for South Australian Mining Association, and some set up homes in the dugouts hewn out of the banks of the Burra Creek. After lunch at the Burra Bakery, we continue on to Mildura for our overnight accommodation.

OVERNIGHT: Best Western Chaffey International Motor Inn, MILDURA ★★★★★

“...The Burra mines supplied 89% of South Australia's and 5% of the world's copper for 15 years, and the settlement has been credited (along with the mines at Kapunda) with saving the economy of the struggling new colony of South Australia...”

DAY 10

Thursday 15th October, 2026

EXPLORING MILDURA

After breakfast, we will be introduced to **Mildura** by our **locally based expert** for a morning of sightseeing. We'll hear about the Canadian **Chaffey Brothers** (George and William Benjamin) who arrived in Mildura in 1886 to establish the first irrigation scheme in Australia and hear about life on the river past and present. Our lunch break will be cruising along the river aboard the **PV Rothbury**. A unique feature of this cruise is travelling downstream through Lock 11, built to bypass the weir across the river. Back on dry land, we head to a lovely olive oil farm, **Varapodio Estate**, where we enjoy a **tour** and **tastings** of their award-winning oils. Our final visit for the day is **Orange World**, a working 50-acre citrus property situated just 8 minutes from Mildura over the Chaffey Bridge. We will enjoy a citrus tour around the picturesque property of avocado trees, numerous citrus varieties and tree grafting areas. There is also an opportunity to travel on the 70-seat tractor train with undercover seating for an informative commentary on a wealth of citrus information with a juicy sense of humour.
