MARY VALLEY RATTLER

This morning we take a three- hour return trip on the Classic Rattler Run in a **C17 Steam Train**. We are about to travel back in history, to a time when everything was slower, a time when everybody living along the Mary River saw life through the prism of the river and the railway line was a very important part of the community. After our lunch in Gympie, we visit the **Gold Mining and Historical Museum**, learning about the early gold mining era, as well as displays showcasing rural, military, hospital, transport, communications and steam development in Australia. Before returning to our accommodation, we explore a little of the **heritage city sights**, including Gympie's Town Hall which was built in 1890 and situated on the spot of the original gold strike by James Nash.

It is now only a short drive to River Heads, where you have time to stretch your legs before boarding for our barge transfer to the **World Heritage K'gari (Fraser Island)** and **Kingfisher Bay Resort**.
