DAY 4

Saturday 24th October, 2026

KINGSCOTE AND FLINDERS CHASE NATIONAL PARK

This morning we enjoy a tour of **Kingscote**, Australia's first free settlement, with a local expert. Learn of its early history and how it was abandoned after only 4 years due to lack of water and suitable building timber only to be replaced in favour of Adelaide. Farewelling our guide, we drive to the **Emu Bay Lavender Farm**, a farm gate cafe set amongst rows of Lavender. Here they make and package an extensive range of lavender products on site. The cafe is famous for its oversized lavender scones and handmade ice cream and it's here we'll indulge in our morning tea!! We now head to the western end of the Island to visit the **Flinders Chase National Park**. Witness its natural rugged beauty and the spectacular **Remarkable Rocks**, **Cape du Couedic Lighthouse** and **Admirals Arch** where, via a spectacular board walk, we can see close up a colony of **New Zealand Fur Seals** who live in the sea and the rocks just below us. It will be a day of remarkable experiences!

OVERNIGHT: Kangaroo Island Seaside Inn, Kingscote, KANGAROO ISLAND ★★★★★

“...Flinders Chase National Park is essential for any Kangaroo Island visitor. Perched on ancient rocky platforms above the sea, Remarkable Rocks' surreal shapes and golden orange hues offer extraordinary photo opportunities. Admirals Arch is not only an impressive rock arch, but also home to a colony of long-nosed fur seals...”

MORE OF KANGAROO ISLAND

After breakfast we can look forward to another interesting day on tour. First we take a look at the unique artwork of a giant kangaroo and red tailed black cockatoos on the town's silo. We then head to **American River**, which was named after American sealers that stayed on this part of the island for four months in 1803 and there is a memorial plaque in the main town to commemorate this. Here, we visit **The Rebuild Independence Project** where a volunteer group is recreating the 45ft United States Schooner "Independence", built by American sealers in 1803. This was the first vessel ever built in SA and an interpretive display details the adventures and fate of the boat. Venturing on, we will be introduced to some unique Kangaroo Island ventures - the first one is **Emu Ridge Eucalyptus Oil Distillery** where we'll enjoy lunch before we take an interesting tour of the plant and equipment involved in producing eucalyptus oil and product. Our final stop for the day is **Clifford's Honey Farm** for a honey ice cream and to learn about the unique **Ligurian Bee**.

DAY 7

Tuesday 27th October, 2026

VICTOR HARBOR TO MONARTO

This morning we say farewell to Kangaroo Island and board our ferry at Penneshaw for the journey back to the mainland and on to **Victor Harbor**. Nestled on a wide, sandy arc of Encounter Bay, **Victor Harbor** has been the summer holiday choice for generations of South Australians. A trip to Victor, as the locals affectionately call it, would not be complete without traversing the iconic **Granite Island** causeway atop the Clydesdale **horse-drawn tram**. We now have some free time to explore and have lunch. Victor Harbor was originally a whaling centre with three whaling stations in the mid-1900s. An estimated 400 southern right whales arrived into Encounter Bay each season. When all are ready, we depart Victor Harbor and head to **Monarto**. Nestled in the heart of pristine wilderness, the **Monarto Safari Resort** offers an unparalleled escape into nature's embrace, and it is here we will spend the next two nights!

Lunch at own expense and arrangement

OVERNIGHT: Monarto Safari Resort, MONARTO ★★★★★

EXPLORING THE SAVANNAH

Located next to the resort is **Monarto Safari Park**, the largest open air safari experience outside of Africa! Today we immerse ourselves in the sights, smells and sounds of **the savannah** as we travel across the open plains through herds of animals seemingly free to roam – safari style. With over 50 species of native and African animals, the park plays a major role, nationally and internationally, in breeding programs for rare and endangered species. After time for lunch, we're in for a real treat when we embark on **The Lions 360 Experience**. It's Australia's only 360-degree lion encounter which gives you a prey's eye view into the world of these incredible predators. Walking through the tunnel, we'll emerge within clawing range of one of Australia's largest lion prides. The safe but adventurous encounter will leave us amazed. Tonight, soak in the last rays of the sun on a guided tour of the **Wild Africa precinct** after hours from the **Safari Truck**; you'll be immersed in parklands and watch free roaming herds of animals from the comfort of the Safari Truck while savouring sunset drinks and canapes.
