Welcome to our fabulous holiday to **King Island and Flinders Island**. With chauffeured pickup from home, we travel to Melbourne Airport. Here we'll be greeted by an **O'Shannessy's Quality Tours** representative who will assist us with check in and see us onto the plane for our direct flight to **King Island**. King Island lies off the north-west coast of Tasmania, surrounded by a rugged coastline with famously good produce and some of the cleanest air in the world. After we land, our friendly local guide will meet us and take us on a tour of the main township, Currie. We visit the museum in the former lightkeeper's cottage, run by the **King Island Historical Society**. The collection offers a fascinating look into the island's rich history, including the original lens from the Cape Wickham Lighthouse. Afternoon tea is served at the quirky and interesting little boathouse on the shores of Currie Harbour, known as the **'Restaurant Without Food'**. Next stop is the iconic **King Island Kelp Industries**, to learn more about one of the island's important industries that processes bull kelp (a type of large, fast growing brown seaweed). Later in the afternoon, stop at **King Island Dairy** to sample some of the delicious cheeses. With a legacy spanning more than 100 years, King Island Dairy has developed an enviable reputation as a maker of some of the world's finest produce. We then make our way to our accommodation, where we'll be warmly welcomed by the manager, Julie. This evening, one of King Island's best chefs will prepare our welcome dinner in-house tonight.

Next we drive to **Quarantine Bay** then cross to the eastern side of the island where we visit **Martha Lavinia Beach**, a world class beach break which has been voted one of the Top 10 Surf Breaks in Australia. We also see the mouth of Yellow Rock River, the wreck site of the Shannon to hear Captain Johnson's unfortunate story. Our lunch break is at **Penny's Lagoon**, a rare freshwater perched lake found in only three locations in the world. We continue to the most northern point of King Island to view the **Cape Wickham Lighthouse**, the tallest granite lighthouse in the Southern Hemisphere which overlooks one of Australia's top ranking golf courses.
