HISTORIC HOMESTEAD AND BIG ART HUNTING

This morning we visit an idyllic rural homestead with tranquil parklands and a pioneering past. **Dundullimal Homestead** was originally a 10,000 hectare working property and is now a beautifully-restored connection to the rural past. Step inside the 1840s homestead to experience wide halls, fine cedar joinery, and cobblestone verandah. Out in the park-like grounds, explore sandstone stables, a timber church and blacksmith's forge for a real sense of working life on a sheep and cattle station. After enjoying a delicious morning tea here, we begin an afternoon of big art hunting. From Dubbo we make our way to **Gilgandra** where we visit the **Coo-ee Heritage & Visitors Centre** and relive the story of the original Coo-ee March, which depicts the journey of 35 men who marched from Gilgandra to Sydney in 1915 to attract recruits for service in WWI. After lunch we head to **Warren** to take in the town's Water Tower. The idea behind this mural is to represent the sports that are available in the new Carter Oval Youth Sports Precinct. The sports being featured are Cricket, Soccer, Swimming and Skateboarding. It is quite an amazing piece of art! We finish the afternoon in **Nevertire** and discover that the Water Tower here stands as a remarkable tribute to the region's agricultural heritage, painted by the talented artist Bastian Allfrey. We then return to **Dubbo** intime for dinner.

OVERNIGHT: Quality Inn Dubbo International, DUBBO ★★★★★

We continue our journey into the past at the **Gulgong Pioneer Museum**, where an incredible collection of local and general memorabilia brings the region's history to life.
