Here we'll be greeted by an **O'Shannessy's Quality Tours** representative who will assist us with check in, and see us onto the plane for our direct flight to **Perth**. Arriving at Perth Airport, we will be welcomed by our coach crew who will assist us with our luggage before we board the coach for the transfer into the city. We have time to relax in our lovely accommodation before our first dinner together.

DAY 2

Monday 28th September, 2026

EXPLORING PERTH

Today we will discover the unique charm of **Perth**. We'll see Elizabeth Quay, Parliament House, Government House and Barrack Arch, finishing our sightseeing at the **Perth Mint**. Originally opened in the late 1800's as a branch of the Royal Mint in London, today it only produces collectors' coins and "one off" items like the 2000 Olympic Medals. We now head to **Kings Park** for spectacular views over the city and river; hopefully we may see some wildflowers! The rest of the day is free to explore or just put your feet up and relax!

OVERNIGHT: Pan Pacific, PERTH ★★★★★

PERTH TO BUSSELTON

This morning we make our way south to Mandurah, known for its impressive waterways, abundant wildlife and natural beauty. We take a cruise along the canals and waterways of the Mandurah Estuary and the Peel Inlet – we might spot a dolphin or two! We have time for lunch on **Mandurah Esplanade** before driving past **Bunbury** to **Busselton**. Before we check in to our accommodation, we'll take a ride on the **Busselton Jetty Train** and relax while the train driver takes us on a 1.7 kilometre journey across the calm, clear waters of Geographe Bay!

Lunch at own expense and arrangement

OVERNIGHT: Abbey Beach Resort, BUSSELTON ★★★★★

MARGARET RIVER REGION

The **Margaret River** area is a rich dairy and timber region, with a reputation for fine wines and surfing. We take a guided tour of the magical **Mammoth Cave**, home to ancient fossil remains and get the full story of the area's fascinating limestone caves at the Cave Works Interpretive Centre. Being in a major wine region we stop at a local cellar door for a **wine tasting**. We'll also stop briefly at the **Margaret River Chocolate Factory**, then visit the **Vasse Virgin Olive Oil and Soap Factory**, whose products are especially good for various skin conditions.

OVERNIGHT: Abbey Beach Resort, BUSSELTON ★★★★★

DAY 5

Thursday 1st October, 2026

BUSSELTON TO PEMBERTON

The rocky headland of **Cape Leeuwin** is our destination this morning. The walk up to the historic Cape Leeuwin Lighthouse, to the point where the Southern and Indian Oceans meet, is one of the great experiences on the Western Australian coast. This lighthouse is the tallest on mainland Australia and the light from the **Cape Leeuwin Lighthouse** can be seen 25 nautical miles out to sea! We then begin making our way to **Pemberton**, where we enjoy a light lunch before a visit to the famous giant **Gloucester Tree** - reputed to be the tallest tree-mounted fire lookout in the world! Our motel is only a block from the town centre so maybe a walk into town or just take some time to relax before dinner.

OVERNIGHT: Pemberton Hotel, PEMBERTON ★★★★★

DAY 6

Friday 2nd October, 2026

PEMBERTON TO ALBANY

We make our way through virgin Karri forests to **Walpole** to join **WOW Wilderness Eco-Cruises**. This fascinating interpretative tour is a family run operation through the wilderness areas and waterways of **Walpole's National Parks**. Just east of Walpole is an area known as the **Valley of the Giants** and the **Tree Top Walk**. The Ancient Empire boardwalk, on the forest floor, peacefully meanders around and sometimes through a grove of veteran tingle trees. From here, we continue through **Denmark** and onto **Albany**, our home for the next two nights.

OVERNIGHT: Hilton Garden Inn, ALBANY ★★★★★

EXPLORING ALBANY

The historic port of **Albany** settled in 1862 was Western Australia's first settlement. Australian and New Zealand troops departed for the First World War from King George Sound, so for many, Albany was their last sight of Australian soil. We visit the state-of-the-art **National Anzac Centre** interpretive museum to experience the Great War through their personal stories. This afternoon we travel to the old whaling station of **Frenchman Bay** before stopping at **Discovery Bay**, which now records the history of whaling in Albany. Returning to Albany we make a couple of stops to view the southern coastline of the **Torndirrup National Park**, complemented by displays of wildflowers, including the Sticky Tailflower, the pink Pimilea Rosea and the blue Scaevola Nitida. There are numerous natural attractions here including **The Gap** with its overhanging platform and Natural Arch - each providing great views of the coast.

OVERNIGHT: Hilton Garden Inn, ALBANY ★★★★★

After breakfast, we drive through the stunning **Stirling Ranges National Park**, home to more than 1,500 species of native plants, 87 of which are not found anywhere else in the world. With unique and abundant wildflowers, including Banksia, Dryandras, Queen Sheba Orchids and Mountain Bells plus the beauty of the mountain landscape, this park is one of the South West's most popular destinations. Following our picnic lunch, we continue to Hyden where we are joined by our local guide who takes us to visit "**Hippos Yawn**" and then onto spectacular **Wave Rock** to learn about the geological and historical importance of this well-known attraction.

OVERNIGHT: Hyden Wave Rock Hotel Motel, HYDEN ★★★★★

HYDEN TO FREMANTLE

We head to the coast this morning via Narrogin. We'll have plenty of time to hunt for wildflowers along the way. We'll enjoy a picnic lunch before continuing on through Brookton to **Fremantle**, a great tourist area with seemingly row upon row of interesting historic buildings, gracious modern hotels and extensive seaside parks.

OVERNIGHT: Esplanade Hotel Fremantle by Rydges, FREMANTLE ★★★★★

“...South West Australia is renowned for its stunning wildflowers with over 8,000 species blooming from August to November. This region is a biodiversity hotspot, home to nearly 80% of its plant species that cannot be found anywhere else in the world...”

DAY 10

Tuesday 6th October, 2026

ROTTNEST ISLAND

Located just off the coast in the warm clear waters of the Indian Ocean, **Rottnest Island** is a spectacular world of white sandy beaches, crystal clear blue waters, abundant marine life, rare marsupials and rich history. The island was named “Rottnest” by Dutch explorer Willem de Vlamingh which meant “rats nest” - he mistook the island’s unique marsupials - the Quokkas, for giant rats! We have a great day ahead including the return ferry to the island and a guided coach tour - as well as some free time to relax, purchase lunch and enjoy this tranquil place.
