**Wednesday 16th September, 2026**

### **EXPLORING TOOWOOMBA PARKS**

This morning we get into the spirit of the **Toowoomba Carnival of Flowers** with a visit to the **Botanic Gardens** in **Queens Park** where we can explore the beautiful displays. From here we make our way to the **Toowoomba Visitor Information Centre**, a beautiful "Queenslander" building based on a late 1800s style Toowoomba house. It features stained-glass motifs of the "Toowoomba" violet; which you can best enjoy by going inside. Next, we head to the spectacular **Laurel Bank Park** which provides a majestic oasis with manicured gardens, topiary and many other points of interest. Early afternoon, we take in one of the most beautiful and peaceful parks in Toowoomba, the University of Southern Queensland's Japanese Garden, **Ju Raku En**. Roughly translated, means 'to enjoy peace and longevity in a public place'. Embarking on a self-guided tour we can take a look at the many species of Japanese and Australian native trees and plants combined in a seamless and restful harmony. Our final visit for the day is the **Toowoomba Empire Theatre**. The theatre is a magnificent building that has been carefully restored to its 1933 origin. We enjoy a historical tour of the Theatre including some amusing and interesting stories of the early years. After a full and interesting day, we return to our hotel to freshen up for dinner.

**MORE OF TOOWOOMBA**

This morning we visit the **Downs Steam Heritage Rail** for a tour of the facility including a look at the spectacular **Dreamtime Journey coach**, representing the traverse of a day, painted by an indigenous inmate of the Westbrook Correctional Centre as part of his prison rehabilitation program. We now make our way to Toowoomba's most notable tourist attraction, the **Cobb & Co Museum**, which is part of the Queensland Museum. It is more comprehensive than its name suggests and traces the history of horse drawn transportation in Australia from old timber wagons, spring wagons and bullock drays through to the Cobb & Co coaches and a landau used by the Duke of Edinburgh when he visited the colony in 1876. We have plenty of time to explore the displays while we are here as well as our light **lunch**. This afternoon we explore some of **Toowoomba Carnival of Flowers** local gardens that are open during the festival. We'll be accompanied by a **local expert** who will give us an insider's rundown of these spectacular garden displays!

**GLENGALLAN AND WARWICK**

Heading out from Toowoomba and towards Warwick we make a stop at **Glengallan Homestead**. Uninhabited for more than half its lifetime, it remains frozen in time, and is one of the few remaining examples of a substantial 19th century country house in Queensland. Glengallan Homestead today is a tribute not only to its visionary builder and to 19th Century craftsmen but also to the 21st Century team who brought it back to life through this delicately balanced restoration. It enables the visitor to experience the best and the worst of its times. After our tour we enjoy morning tea here. Then in Warwick we visit the **Warwick Historical Society Museum** which houses a collection of buildings, which features furniture and household items representing more than 130 years of family life in the region. Travelling further afield now, we visit a most interesting place – **Summer Land Camel Farm**. First enjoying lunch, we then learn about the history of camels in Australia and the powerful immune proteins that are contained in camel milk. Our tour takes us into the interesting farming operations and we get to meet the camels! Afterwards we then make our way back to Toowoomba and our motel for dinner.

### ***THE GRAND CENTRAL FLORAL PARADE***

Today is **Grand Parade Day!** We'll arrive early and make our way to our seats for Australia's most unique Street Parade - the **Grand Central Floral Parade**. Spectacular floats decorated with live flowers, fitting the chosen theme for the year, plus Bands, Marching Groups and Carnival Characters. The Parade winds through the city and we'll enjoy it from a prime viewing location on reserved tiered seating. We then make our way to the famous **Picnic Point Lookout**. Perched on the edge of the **Great Dividing Range**, it provides an amazing view of the **Lockyer Valley** and **Tabletop Mountain**. Later this afternoon, we head back to our motel to relax before an early dinner. This evening, we take a **Twilight Tour** of Laurel Bank Park.

**SPRINGTIME IN TOOWOOMBA**

This morning we take a diesel-hauled train ride out to **Spring Bluff Railway Station** and have some time to look through the magnificent gardens of poppies, ranunculus, stock, snapdragons, petunias and many other annuals bursting into colour under the warm sunshine. Next, **Peacehaven Botanic Park**, set in the leafy suburb of Highfields and home to more than 400 different species of native plants and scores of birds and wildlife. We now head back into town where we can have some free time to wander and purchase lunch. Later this afternoon before returning to our hotel, we visit the **Clivia Show and Australian Native Plant Show**. Here the Toowoomba Clivia Society holds an annual Clivia Show which displays the myriad of colours and species which confirm Toowoomba as the *Clivia* capital of Australia.
