CARDINAL NEWS

MESSAGE FROM MR. STEWART

Greetings, Sacred Heart Families!

Thank you to all who joined us for the PK–5 Christmas Programs! Our students did a wonderful job, and your support helped make each performance truly special. We are blessed to have such an engaged and encouraging school community. Big shout out to Mrs. Jackson for her hard work and dedication!

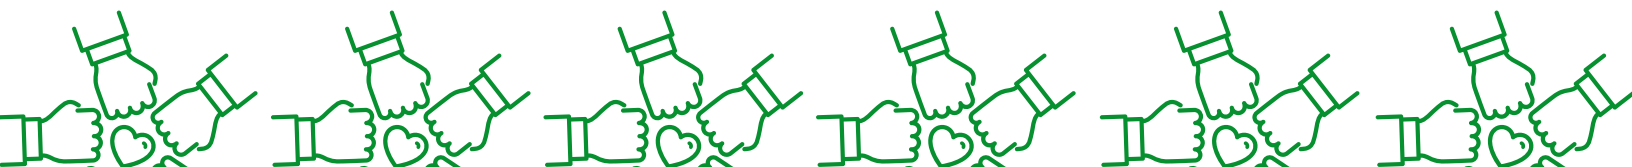

As we continue through Advent, we are reminded to slow down, prepare our hearts, and focus on the hope and light that Christ brings into our lives. This season invites us to reflect, pray, and practice patience and generosity. Thank you for helping your children live out these virtues each day at Sacred Heart.

It's hard to believe we are just one week away from Christmas Break! This semester has been filled with growth, joy, and many blessings. Thank you for your partnership, your support, and the trust you place in our school. We look forward to a strong finish to the semester next week.

Wishing you peace and blessings,
Mr. Jeremy Stewart
Principal

Our students in Beginners through Grade 5 did a fantastic job on their Christmas Programs this week. We thank Mrs. Jackson for her hard work in preparing them. We enjoyed seeing so many family and friends come to support our students!

Counselor Corner

By Mrs. Nellie Springston

Thank you to everyone who donated socks for our Advent Project! We have so many warm, cozy pairs for both adults and children! The generosity of this community always amazes me, and makes me so happy to be a part of the SHC family. If you have yet to donate a pair of new socks, please do so by next Friday.

Next week, Kindergarten-4th grade students will wrap up our lesson: "You Matter to Me" where they learned to recognize and value everyone and in turn, to value and care for others. In our last week, we will discuss how to help others recognize and know their value.

5th and 6th grade students will meet for Bloom Club and Sons of Thunder Club the first Monday back from Christmas break, Jan. 5, from 2:00-3:00, so please plan accordingly. The 7th and 8th graders will meet the following Monday, Jan. 12, at the same time.

Earn money for SHC just by going to the grocery! Scan your receipts in the [Box Tops app](#). SHC has earned \$122 so far this school year.

Parents grades K-8, complete the weekly [survey](#) for your student to receive the monthly incentive. The reward in January is **extra recess!**
