CARDINAL NEWS

MESSAGE FROM MR. STEWART

Greetings, Sacred Heart Families!

We have been blessed with some warmer weather as we returned to school here at Sacred Heart. It has been a joy to see our students able to spend time outside, especially during the month of January. Moments like these remind us of the simple blessings God provides and the importance of allowing our students time to grow, play, and recharge.

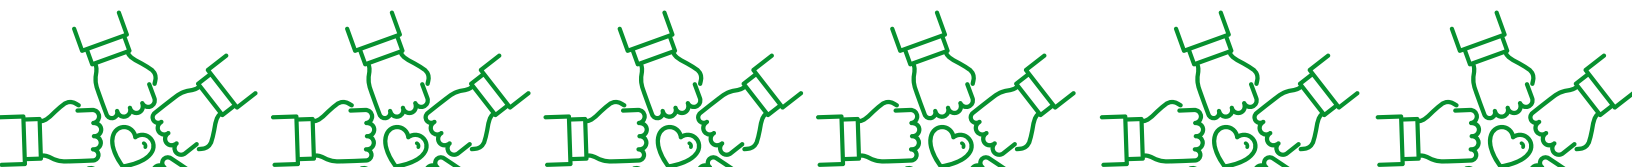

With the start of the new year, several of our teachers have guided students in setting new academic and spiritual goals. This is a wonderful opportunity for all of us to refresh our minds, renew our hearts, and refocus on our purpose as learners and followers of Christ. I encourage you to talk with your students about the importance of starting strong and remaining focused as we move through the third quarter of the school year. Consistent attendance and being on time are essential components of success in school and in life. We appreciate your partnership in helping your child develop positive attendance habits that support growth and responsibility.

I hope the Lord has blessed each of your families throughout the Christmas season. Please be ever mindful of His presence in your daily lives and of His constant love for each of you.

Wishing you peace and blessings,
Mr. Jeremy Stewart
Principal

Multiple students have now achieved Golden Shoe level in PE, walking a cumulative 10 miles at the start of class each week. These two students opened the next level--Marathon Club. Seventh graders Ellie Miller and Harrison Smith have walked or ran 26.2 miles total since the beginning of school.
