CARDINAL NEWS

MESSAGE FROM MR. STEWART

Greetings, Sacred Heart Families!

I hope this letter finds you enjoying the beautiful weather that God has so generously blessed us with! Throughout His life, Jesus often stepped into the classroom of silence—spending time with the Father to renew His spirit and find peace. I encourage you to seek out those quiet moments for yourself as well, allowing God to refresh and strengthen you.

This week, I had the joy of visiting several classrooms and witnessing our students engaged in meaningful learning. They collaborated on math problems, explored animal classifications, and discovered the two essential parts of a sentence, among many other engaging lessons. During adoration, our 8th grade students led a decade of the rosary and shared prayer requests as a class. What a blessing it is to see our children growing not only academically, but also spiritually.

I also invite you to join us this Saturday for our annual Street Dance! The band 100% Poly will be playing favorite songs from across the decades. It will be a wonderful evening of fun, fellowship, and the opportunity to meet new people. We look forward to seeing you there!

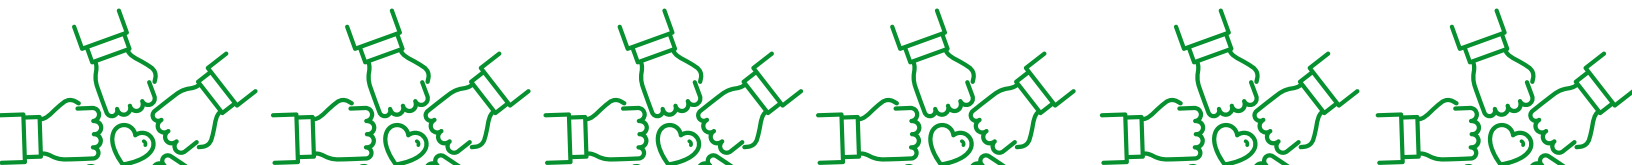

May God bless you and yours! And as always, please keep us in your prayers!!

Counselor Corner

By Mrs. Nellie Springston

Hello SHC Parents!

Since we had a short week, I decided to postpone beginning the Friendly's program for K-4th grade until next week. Our Catchphrase for the month of September is "Partnership Power," and the goal is "to learn to collaborate with others to accomplish a common goal by combining various skills, talents and imaginations." Students received their Friendly's books this week and are so excited to get started!

The middle school clubs commence next week with 5th & 6th grade meeting on Monday from 2-3 p.m. The girls will participate in the Bloom Club led by myself and senior Sadi Pennington while the boys will participate exploring masculinity in male Biblical figures with Kyle Naugle, the Director of Youth & Sacramental Ministry.

Parents can pick up their 5th/6th grader from the front of the school at 3:00. If your student cannot stay until 3:00, please let him/her know, and the student will be dismissed at the normal time. Have a blessed weekend.

Earn money for SHC simply by going to the grocery! Simply download the Box Tops for Education app and scan your receipts. It's easy!

Last year, SHC earned \$51.50. If all parents downloaded the app, SHC could earn even more. See the [website](#) for more info.
