CARDINAL NEWS

*"With upright heart He tended them, and
guided them with skillful hand."*

MESSAGE FROM MR. STEWART

Greetings, Sacred Heart Families!

I hope that this message finds you and your family blessed and aware of God's presence in your everyday lives!

As we solemnly observe the 25th anniversary of the tragedy of September 11th, let us take a moment to pray for the families who continue to grieve the loss of loved ones, as well as for the families of first responders who bravely put the lives of others before their own each day. We ask Christ to bring healing, comfort, and protection to all those affected.

Today's first reading from the First Letter to the Corinthians reminds us of the importance of discipline and perseverance. St. Paul compares living the Gospel to an athlete training for a race, encouraging us to run in such a way that we may obtain the imperishable crown of Heaven.

As we continue through the school year, let us help our children develop these same habits in their academic lives—working hard, persevering when things are difficult, taking responsibility, and always giving their best. In doing so, we are helping them grow not only as students, but as young men and women of faith and character.

Finally, thank you to all of our sponsors, volunteers, and chairpersons who have worked so hard to prepare for our annual Street Dance. We are grateful for all that you do to make this event possible! Please come out and join us for an evening of live music, fellowship, and fun!

God Bless You and Yours,

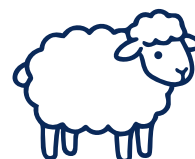

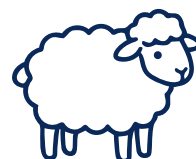

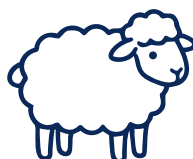

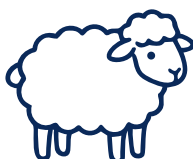

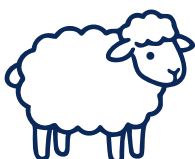

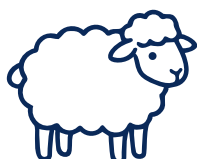

Jeremy Stewart
Principal, Sacred Heart Catholic School

Miss Manners made a big impact on the Preschool class! The class has won several Golden Spoon awards for good behavior in the cafeteria at lunch. Recently, they received a Sweet Treat Party for their great manners for August.

Second Grade Math Wizards celebrate their achievements with Mr. Stewart!

SACRED HEART CATHOLIC FORMING SAINTS AND EDUCATING SCHOLARS!

Portrait of a Cardinal

This week in our Portrait of a Cardinal series, we cover what it means for a Cardinal to show **THANKFULNESS**. Thankfulness is being grateful for God's gifts and one's family, teachers, school, and classmates. Even when things don't go their way, students can become saints by choosing thankfulness instead of complaining. Parents can help students develop this virtue by speaking gratefulness out loud and saying "thank you" to others often.

Counselor Corner

By Mrs. Nellie Springston

We had a great, short week this week. Kindergarten-4th grade learned about Unity vs. Division as they learn how to be "In It Together." They began interviewing a partner to learn about the other's gifts, talents and interests, and how those may contribute to the entire class.

Sixth grade will have its first guidance lesson with myself and Kyle Naugle on Monday, Sept. 14, from 1:30-2:30. Our Rooted in Faith group will discuss the importance of being rooted in prayer and will learn various types of prayer.

We're looking forward to a good week ahead!
