Safety & Equipment	PILD 2978  AROTECTION GROUP  Pinnacle Security	Competitor #1	Competitor #2
24/7 Heat alarms in every K9 vehicle, monitored by handlers, K9 supervision, and a 24-hour dispatch center.			
24/7 Heat alarms in every handler's personal vehicle, monitored by handlers, K9 supervision, and a 24-hour dispatch center.			
K9 First Aid Kits are included in all K9 vehicles.			
Ceramic-coated tinted windows to reduce heat exposure.			
Custom K9 transport kennels (not generic air crates).			
K9 Selection & Care	PILL 2978  AROTECTION GROUP  Pinnacle Security	Competitor #1	Competitor #2
Sourced from reputable Police K9 vendors, not random backyard sellers or online platforms.			
Working breeds selected for exceptional detection abilities – no Pitbulls or other unsuitable breeds.			
Multiple detection certifications from recognized organizations like ICRWDA, DrugBeat, and the American Working Dog Association.			
K9s receive medical and dental insurance, just like human employees.			
High-quality food provided to ensure optimal health.			
Anti-bloat protocols, including slow feeding bowls and multiple small meals per day.			
24/7 GPS monitoring, tracking health indicators such as rest, activity, sleep patterns, eating, drinking, and barking.			
Use of industry-leading detection aids, including live narcotics/explosives and Scent Logix inert aids.
