Trusting God in Every Power

The 29th Sunday in Ordinary Time Year A teaches that God's power reaches everywhere. He can work through anyone, even people who do not know Him. Faith is not just about words or appearances—it is about action and sincerity. This 29th Sunday in Ordinary Time reminds people to live their beliefs daily, trust in God's plan, and make Him their highest priority. God sees beyond outward actions and looks at the heart.

A message from Advancement Foundation

Think of the ministries, schools, and parishes that have shaped your faith journey. A planned gift to the Advancement Foundation allows you to sustain these vital Catholic institutions long into the future. Whether it is an endowment for Catholic education or support for our retired priests, your foresight keeps our local Church vibrant. Generations of Catholics in our Diocese have built a strong foundation, and together we can continue to strengthen it. See advancementfoundation.planmygift.org/ to discover the many ways you can help. Already included your parish, Catholic School, or favorite ministry in your plans? Please let us know through the Legacy Society so we can thank you for your generosity.
