**— Small \$148/mo · Medium \$168/mo · Large \$188/mo · XLarge \$178/mo — +\$25/visit upgrade for ceramic coated vehicles (Detox Wash + water bead test)**

### Protection Plan — Quarterly

1 service every 96 days | Credit card on file required

Exterior: Two-bucket hand wash · Wheel & tire deep clean · Door jamb wipe down · Blow dry + plush towel finish · Koch-Chemie Protector Wax

Tire dressing · Interior & exterior windows cleaned · Light bug/tar removal (seasonal)

Interior: Thorough vacuum · Wipe down of dash/console/panels · UV protectant application

— **Small \$148 · Medium \$158 · Large \$179 · XLarge \$189 per visit** — **+\$75/visit upgrade for ceramic coated vehicles (Detox Wash + water bead test)**

*Why Koch-Chemie Protector Wax? High-end European car care chemistry. Hydrophobic protection, gloss enhancement, UV protection (critical in Alabama heat), safe on coated vehicles. Alabama vehicles face heavy pollen, hard rain, bug etching, intense UV, and construction dust — regular maintenance prevents clear coat degradation and water spot buildup.*

## MOBILE PROTECTION PLANS

### Mobile Basic — \$109/mo (Zone 1: Madison & Huntsville)

2 mobile visits/month · Exterior hand wash & dry · Interior & exterior windows cleaned

Vacuum front floor mats · Wheel faces & wells cleaned · Tire clean & tire dressing
