

Friday 6th February 2026

Dear Stanground Families,

This week, the children have continued to show great enthusiasm in their learning and their positivity around school has been wonderful to see. As we move into the final stretch of this half term, I want to share a few important updates and events taking place next week.

On Monday 9th February at 15:30, we will be holding a Grafham Water information meeting in the school hall. This will be an opportunity for families to hear key details about the trip, ask questions and ensure everyone feels fully prepared.

Later in the week, on Thursday 12th February at 18:00, the Friends of Stanground St John's (FOSSJ) will host their Annual General Meeting in the school hall. FOSSJ plays an important role in enriching school life, and we warmly welcome all parents and carers who would like to attend or find out more about how they can get involved.

A reminder that next week is Assessment Week. The children have been working incredibly hard and we are confident they will approach their assessments with the same determination and resilience they have shown throughout the term. Please ensure they have plenty of rest and arrive each day ready to do their best.

Kind regards,

Mr Steenkamp  
Headteacher

## School Communication

We are very fortunate to have supportive and friendly parents/carers at Stanground St John's. We want our parents/carers to recognise that educating children is a process that involves partnership between parents/carers, classroom teachers and the whole school community. We ask parents and carers to be mindful of how busy staff are during the school day, especially in the mornings. If you have a concern, you should first book an appointment with the class teacher; if the issue remains unresolved, you may then request a meeting with the Phase Leader, followed by the Deputy Headteacher if needed. The school aims to respond to phone calls and emails within two school days.

## Number Day 2026

Today was Number Day 2026, during which children took part in a range of number-based activities to raise vital support and funds for the NSPCC. Children in KS2 also competed in a Times Tables Rock Stars event as part of the celebrations.

## Friends of Stanground St John's

The Friends of Stanground St John's (FOSSJ) PTA Association will be holding an **Emergency General Meeting (EGM) on Thursday 12th February @6pm in the Hall of the school.**

This meeting has been called following the decision of several committee members to step down and, unfortunately, the current lack of volunteers coming forward to take on these roles. As a result, without new members joining the committee, we may be forced to begin the process of dissolving the association during the midterm holidays.

We warmly encourage any parents or carers who may be interested in helping to "save" FOSSJ to attend this meeting. Whether you are able to commit to a formal role or simply want to find out more about what is involved, your presence and ideas would be very welcome. Without sufficient volunteers, FOSSJ simply cannot continue to operate.

As a reminder, FOSSJ was created to enhance the pupils' experience at Stanground St John's, raising funds through events such as discos, fayres, creative workshops, and initiatives like custom Christmas cards. Last year we managed to raise over £3,000!

Over the years, the association has helped to fund annual school trips, books for the library, book bags for new starters, gifts for leavers, and more. With the school's limited funding—partly due to its size and attendance—FOSSJ has played a vital role in ensuring that all children have opportunities to learn and experience life beyond the classroom. We sincerely hope that, with the support of the school community, this important work can continue.
